MICKEY MOUSE

Kyle Of Mulltyre (Part Two)

Mickey and Goofy smelled something fishy when tycoon Grubstake offered to buy a Scottish salmon-fishing hotel with no salmon. Searching for clues in Grubstake's office, they found a geologist's report on a huge reservoir of natural gas in the hotel grounds. But our two friends were caught and left tied up...

It must be morning by now! We'll never make it back to the hotel in time to tell the owner not to sell!

Maybe we will! Look, Goofy, one end of the sticky tape's come loose!

D93063

Think you can make it over there and make the tape stick to the table leg?

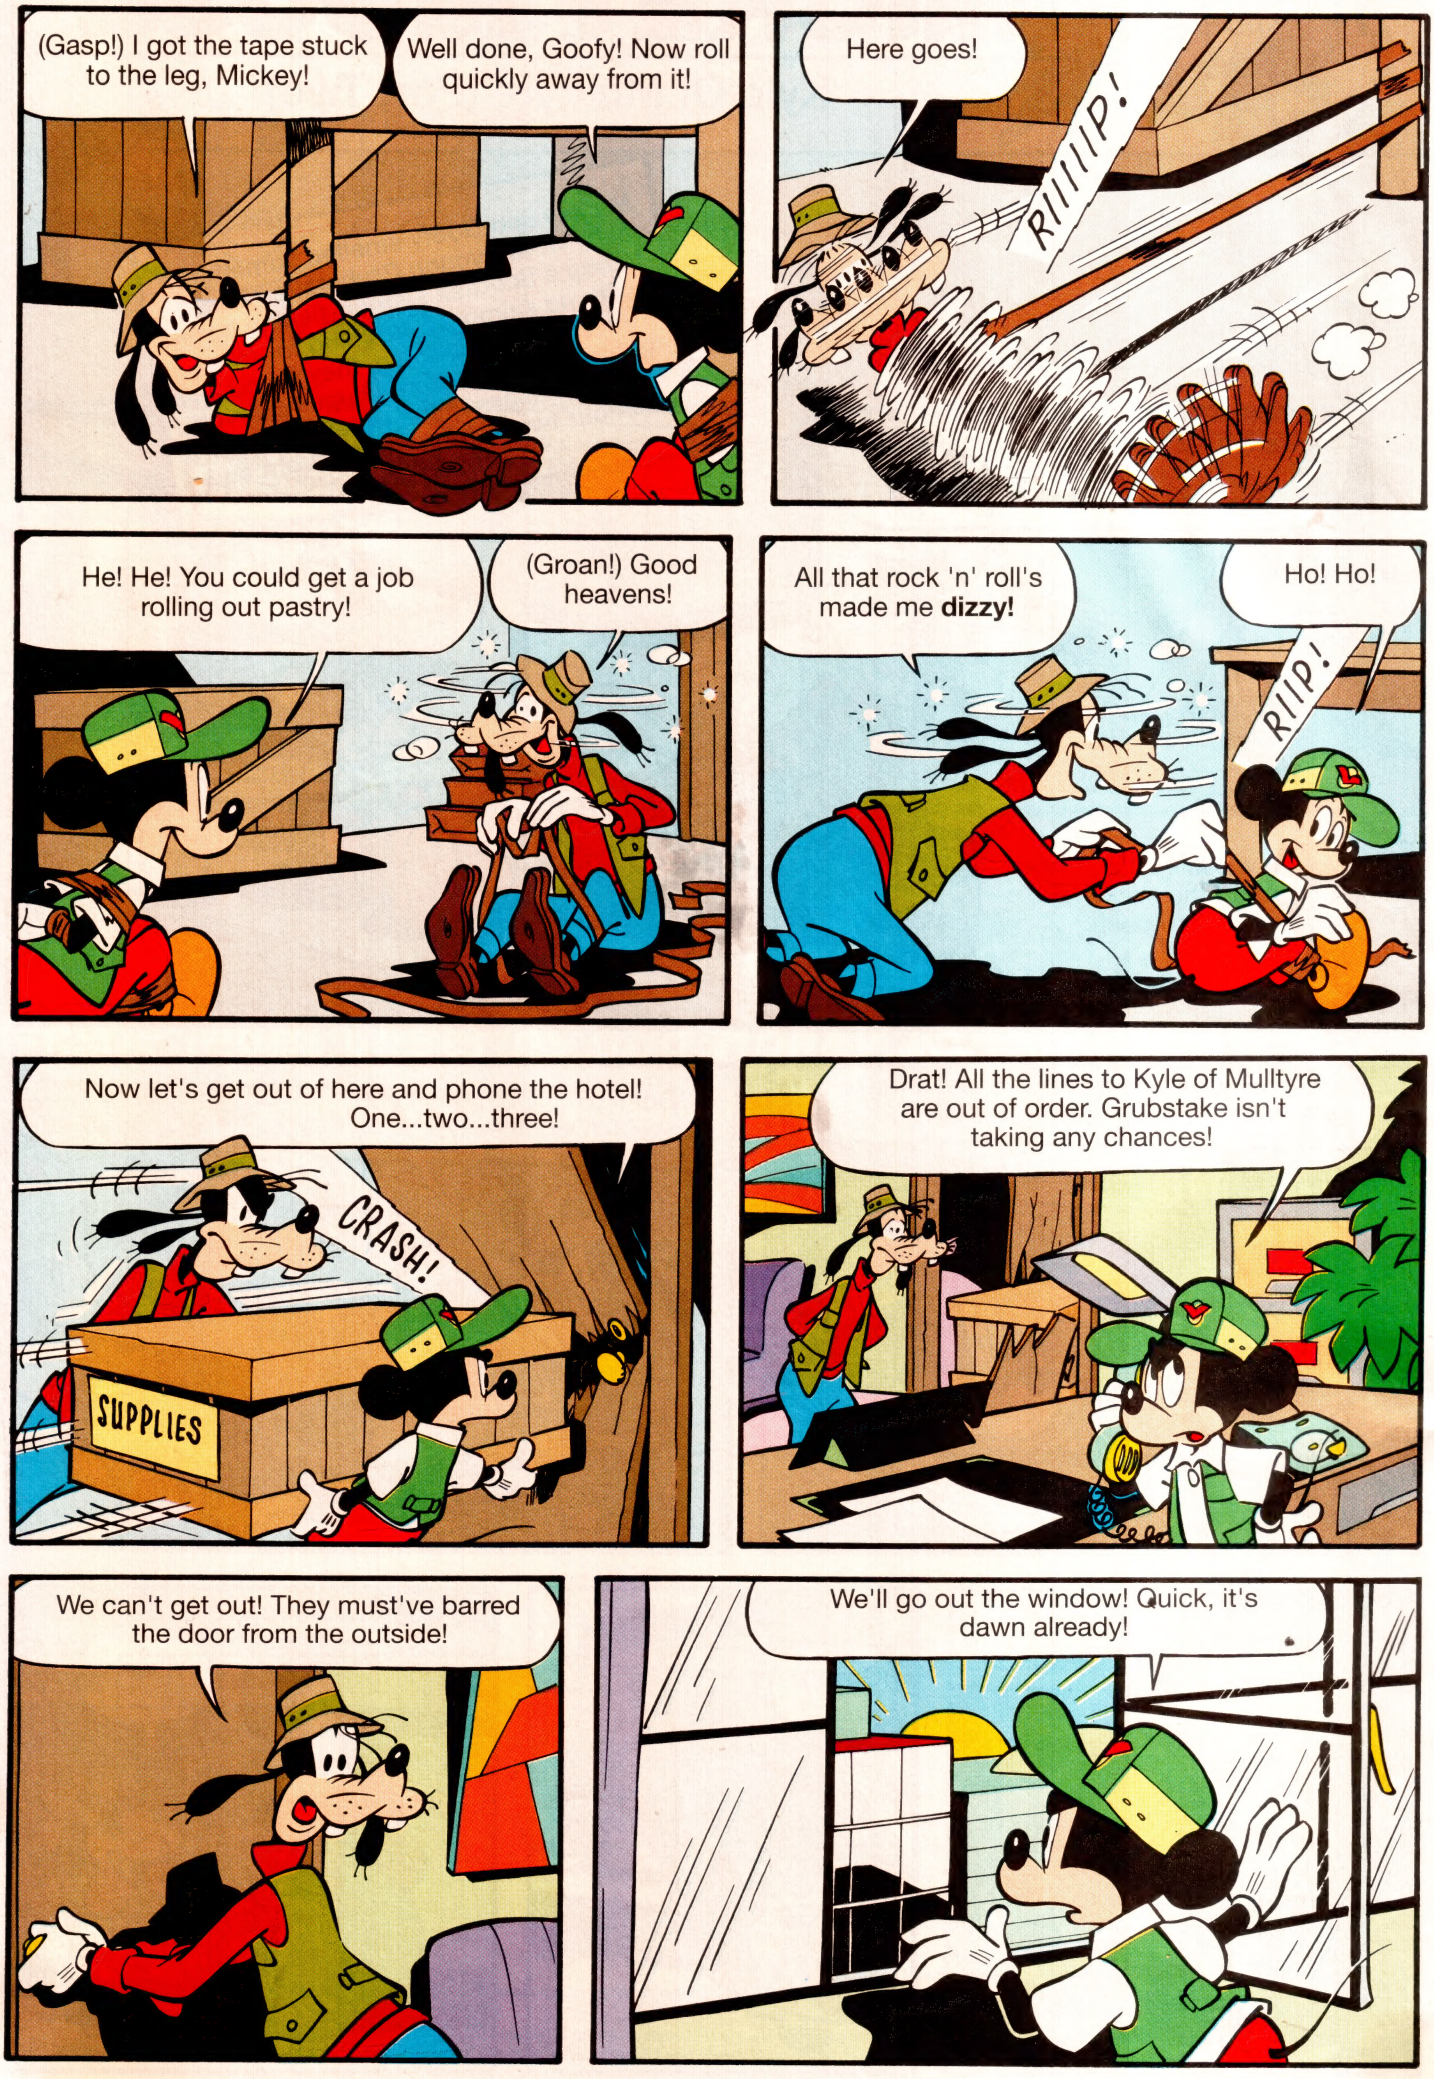
I'll give it a shot!

But it ain't (Oof!) gonna be (Ouch!) easy!

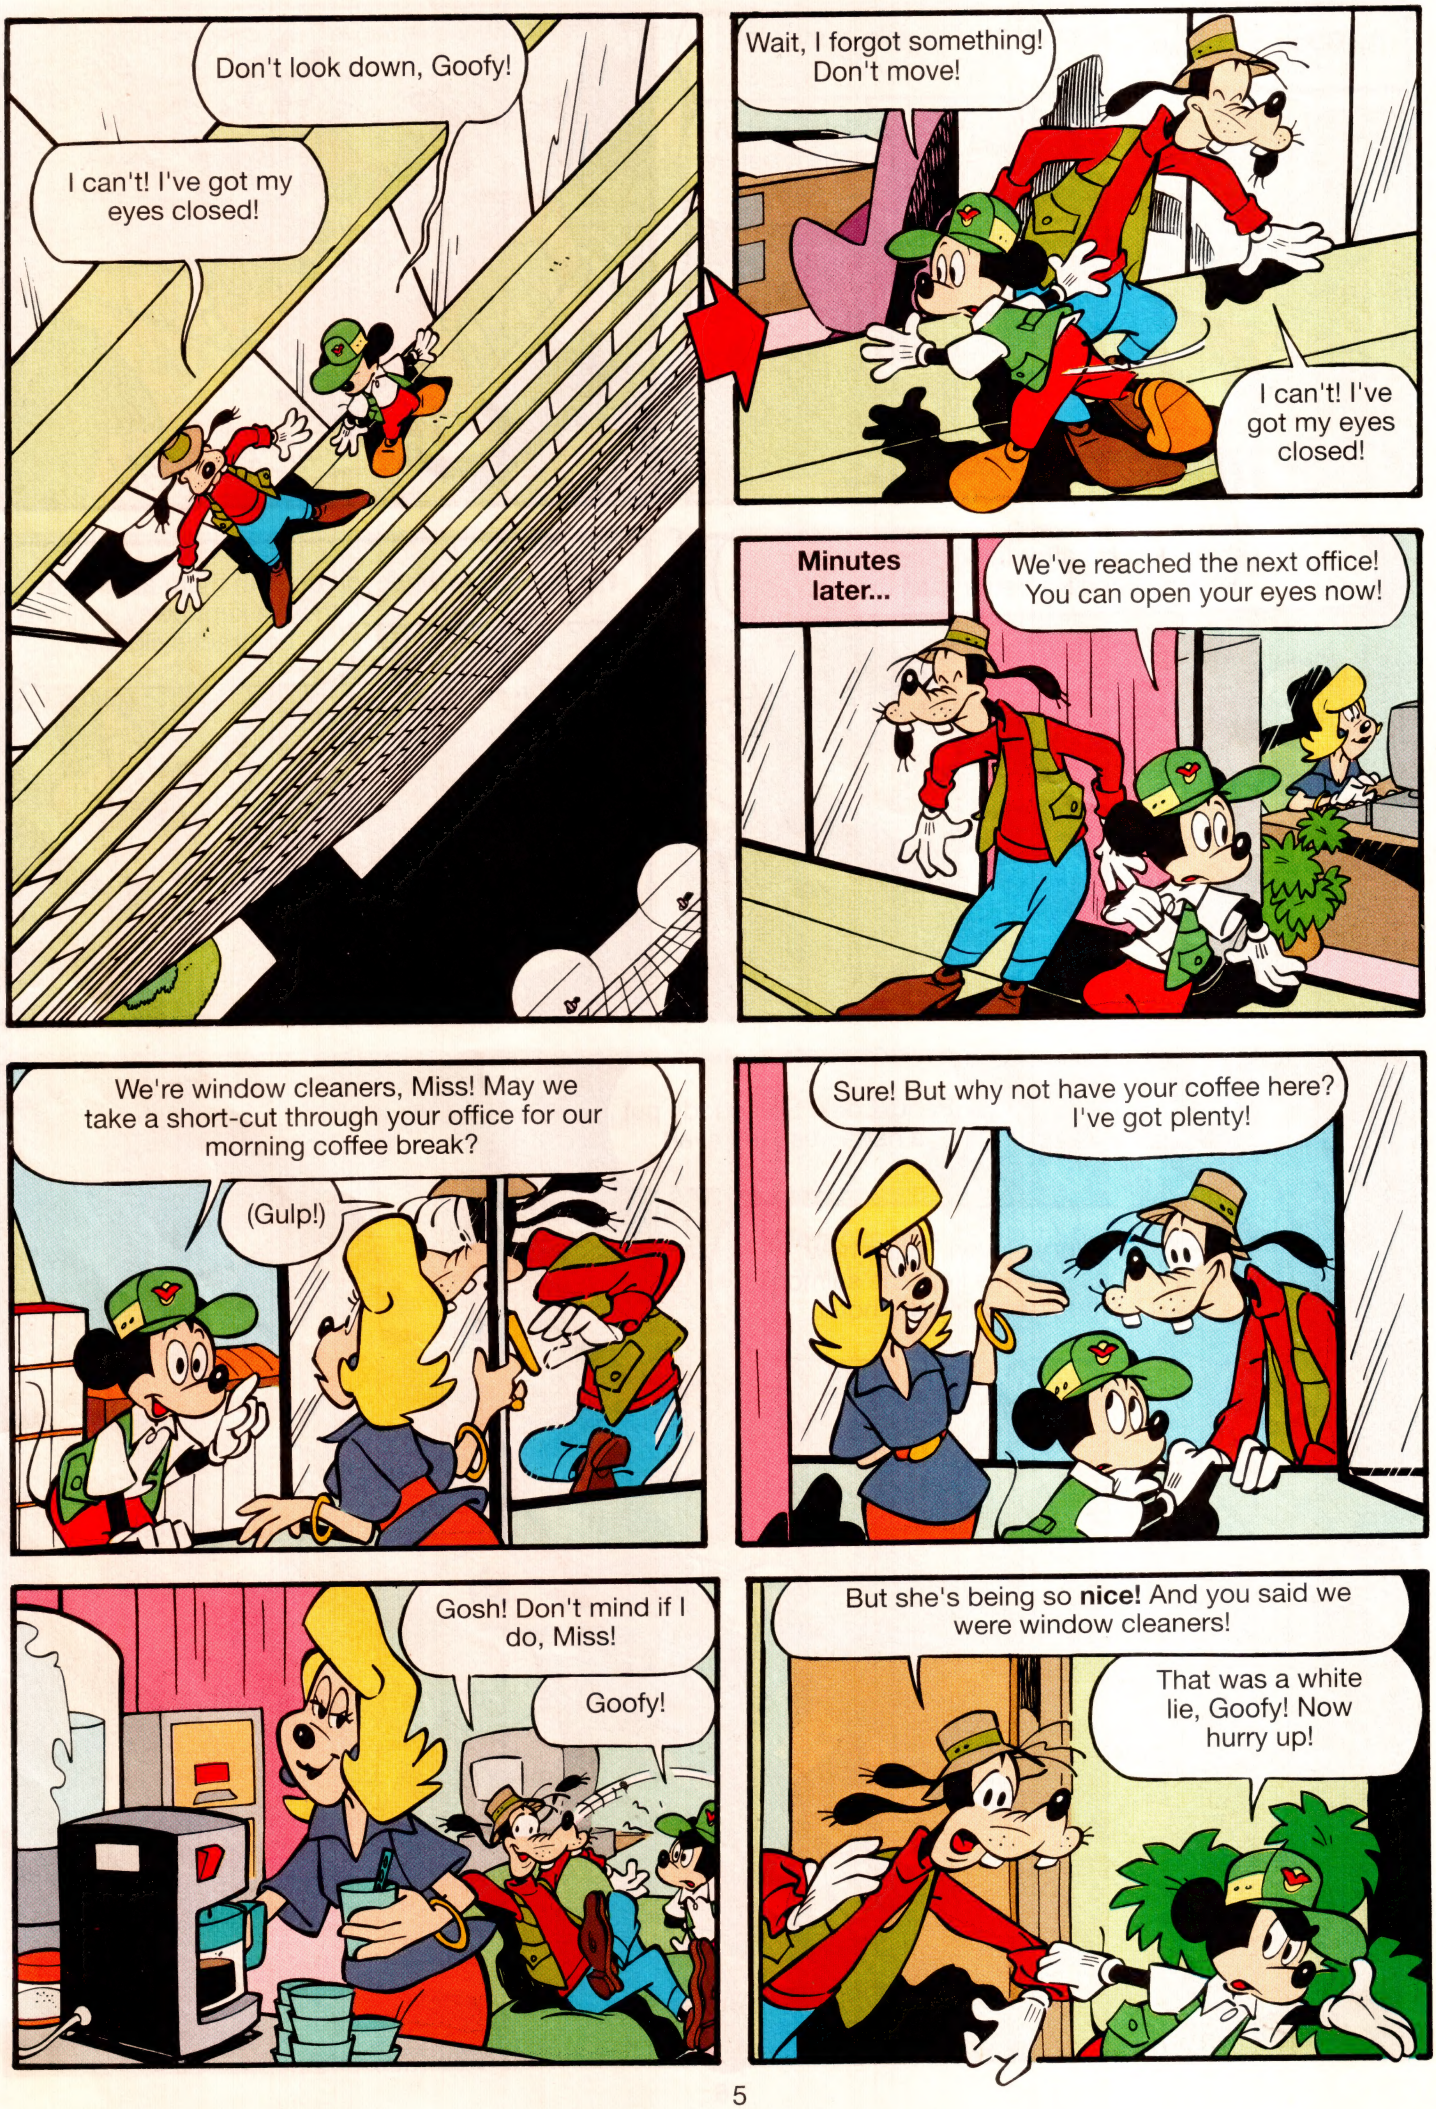
(Pant!)

(Gasp!)

Yikes!

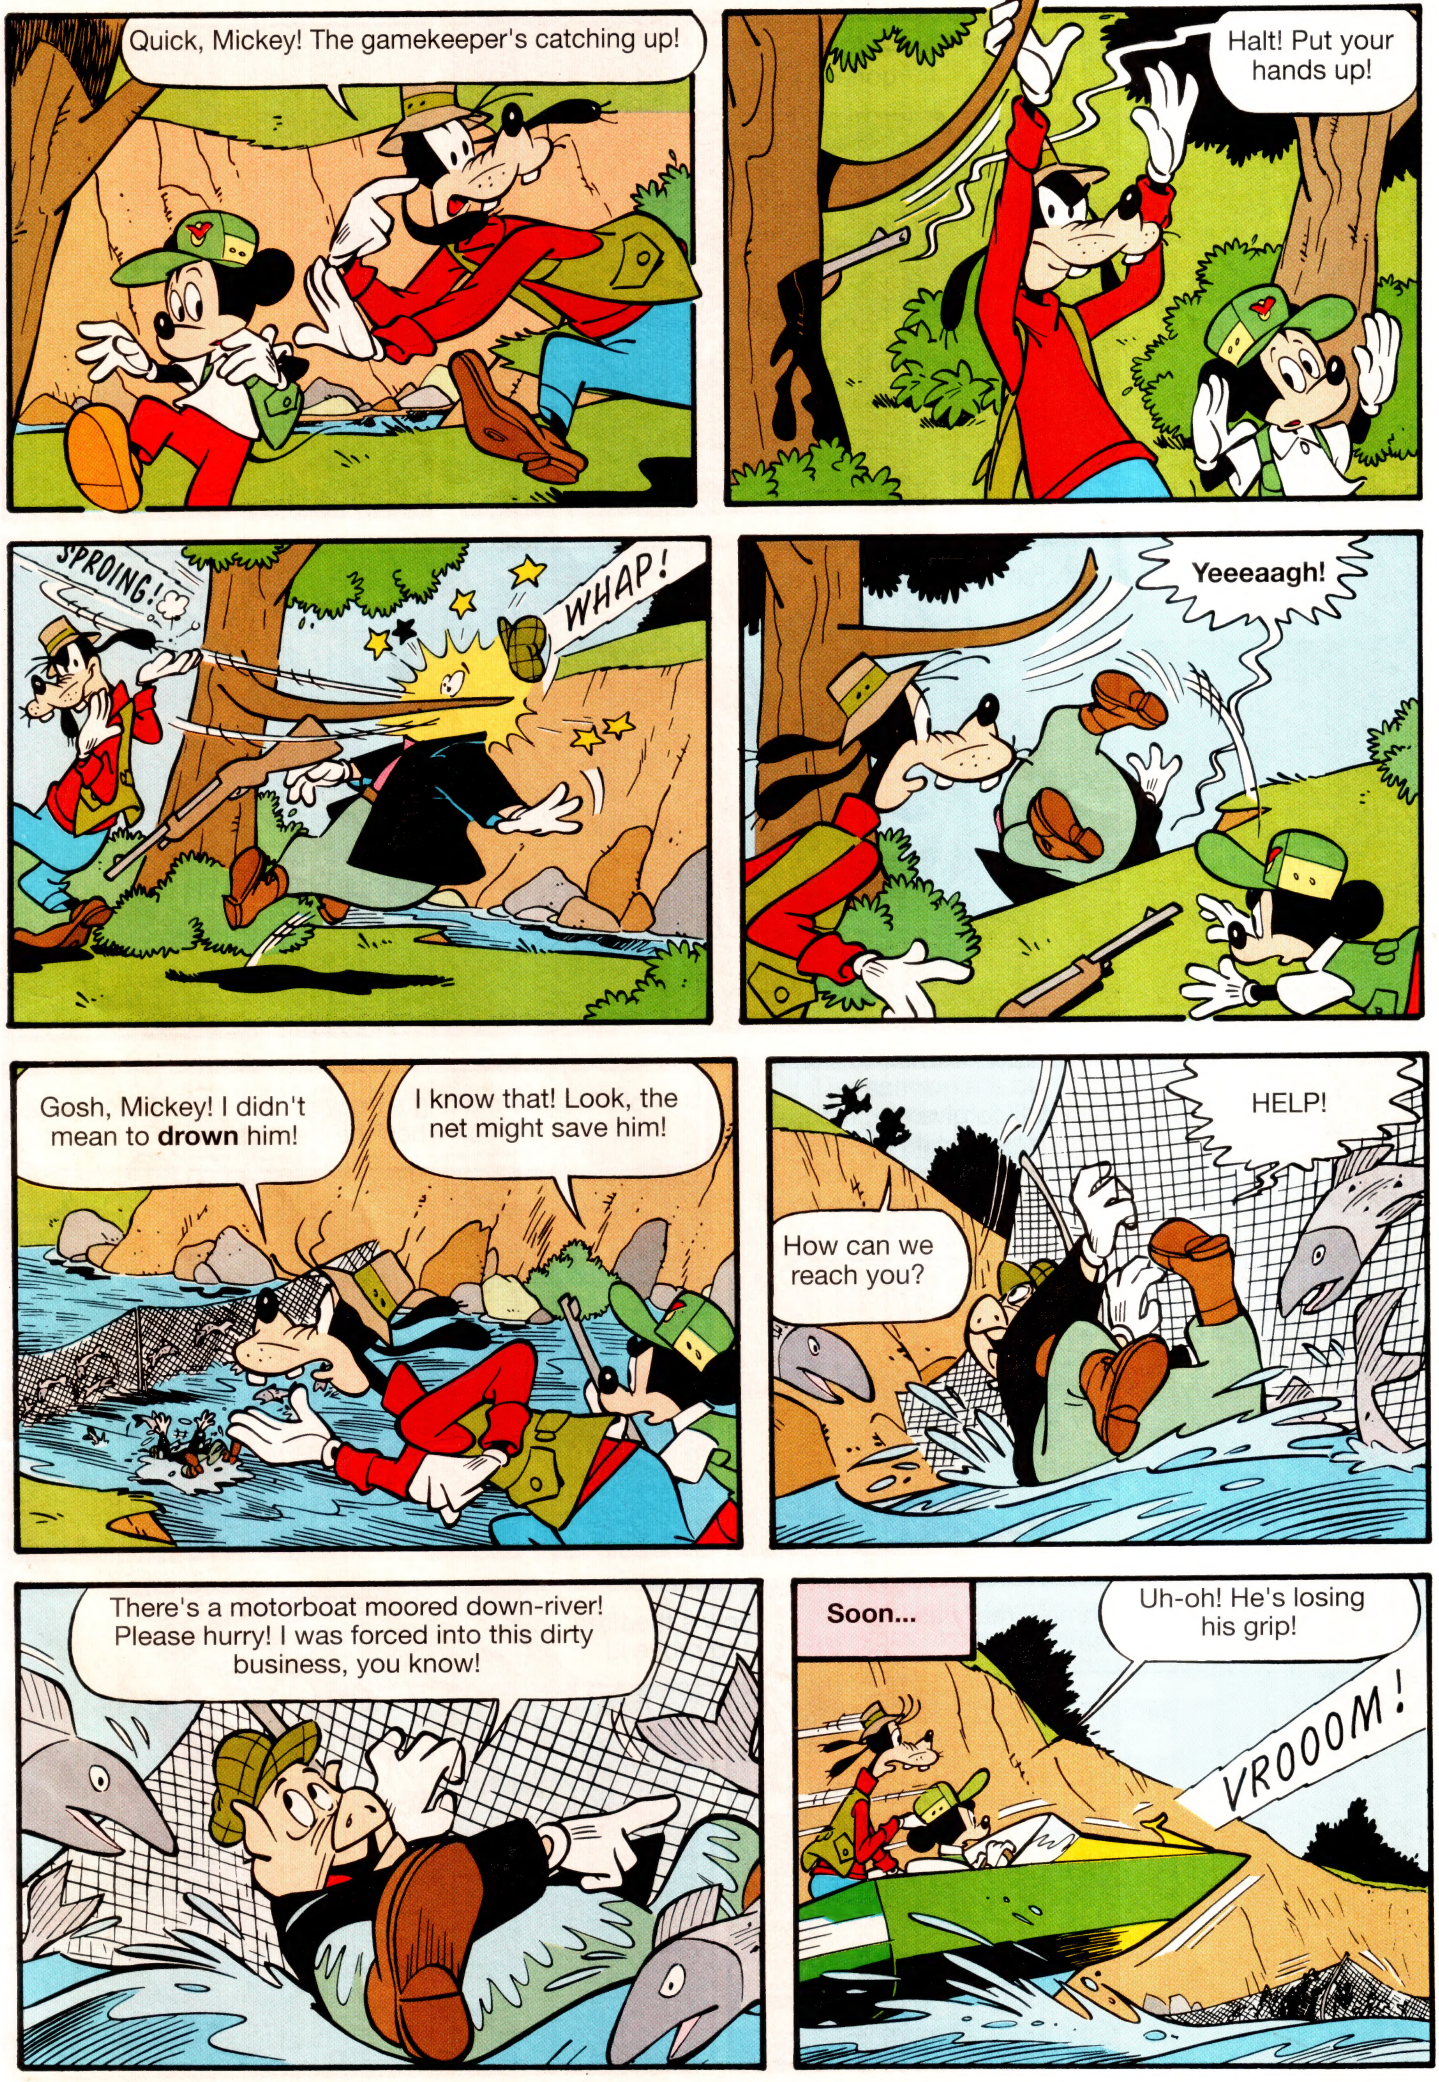


(Gasp!) I got the tape stuck to the leg, Mickey!
Well done, Goofy! Now roll quickly away from it!
Here goes!
RIIIIIP!
He! He! You could get a job rolling out pastry!
(Groan!) Good heavens!
All that rock 'n' roll's made me **dizzy!**
Ho! Ho!
RIIP!
Now let's get out of here and phone the hotel! One...two...three!
CRASH!
SUPPLIES
Drat! All the lines to Kyle of Mulltyre are out of order. Grubstake isn't taking any chances!
We can't get out! They must've barred the door from the outside!
We'll go out the window! Quick, it's dawn already!

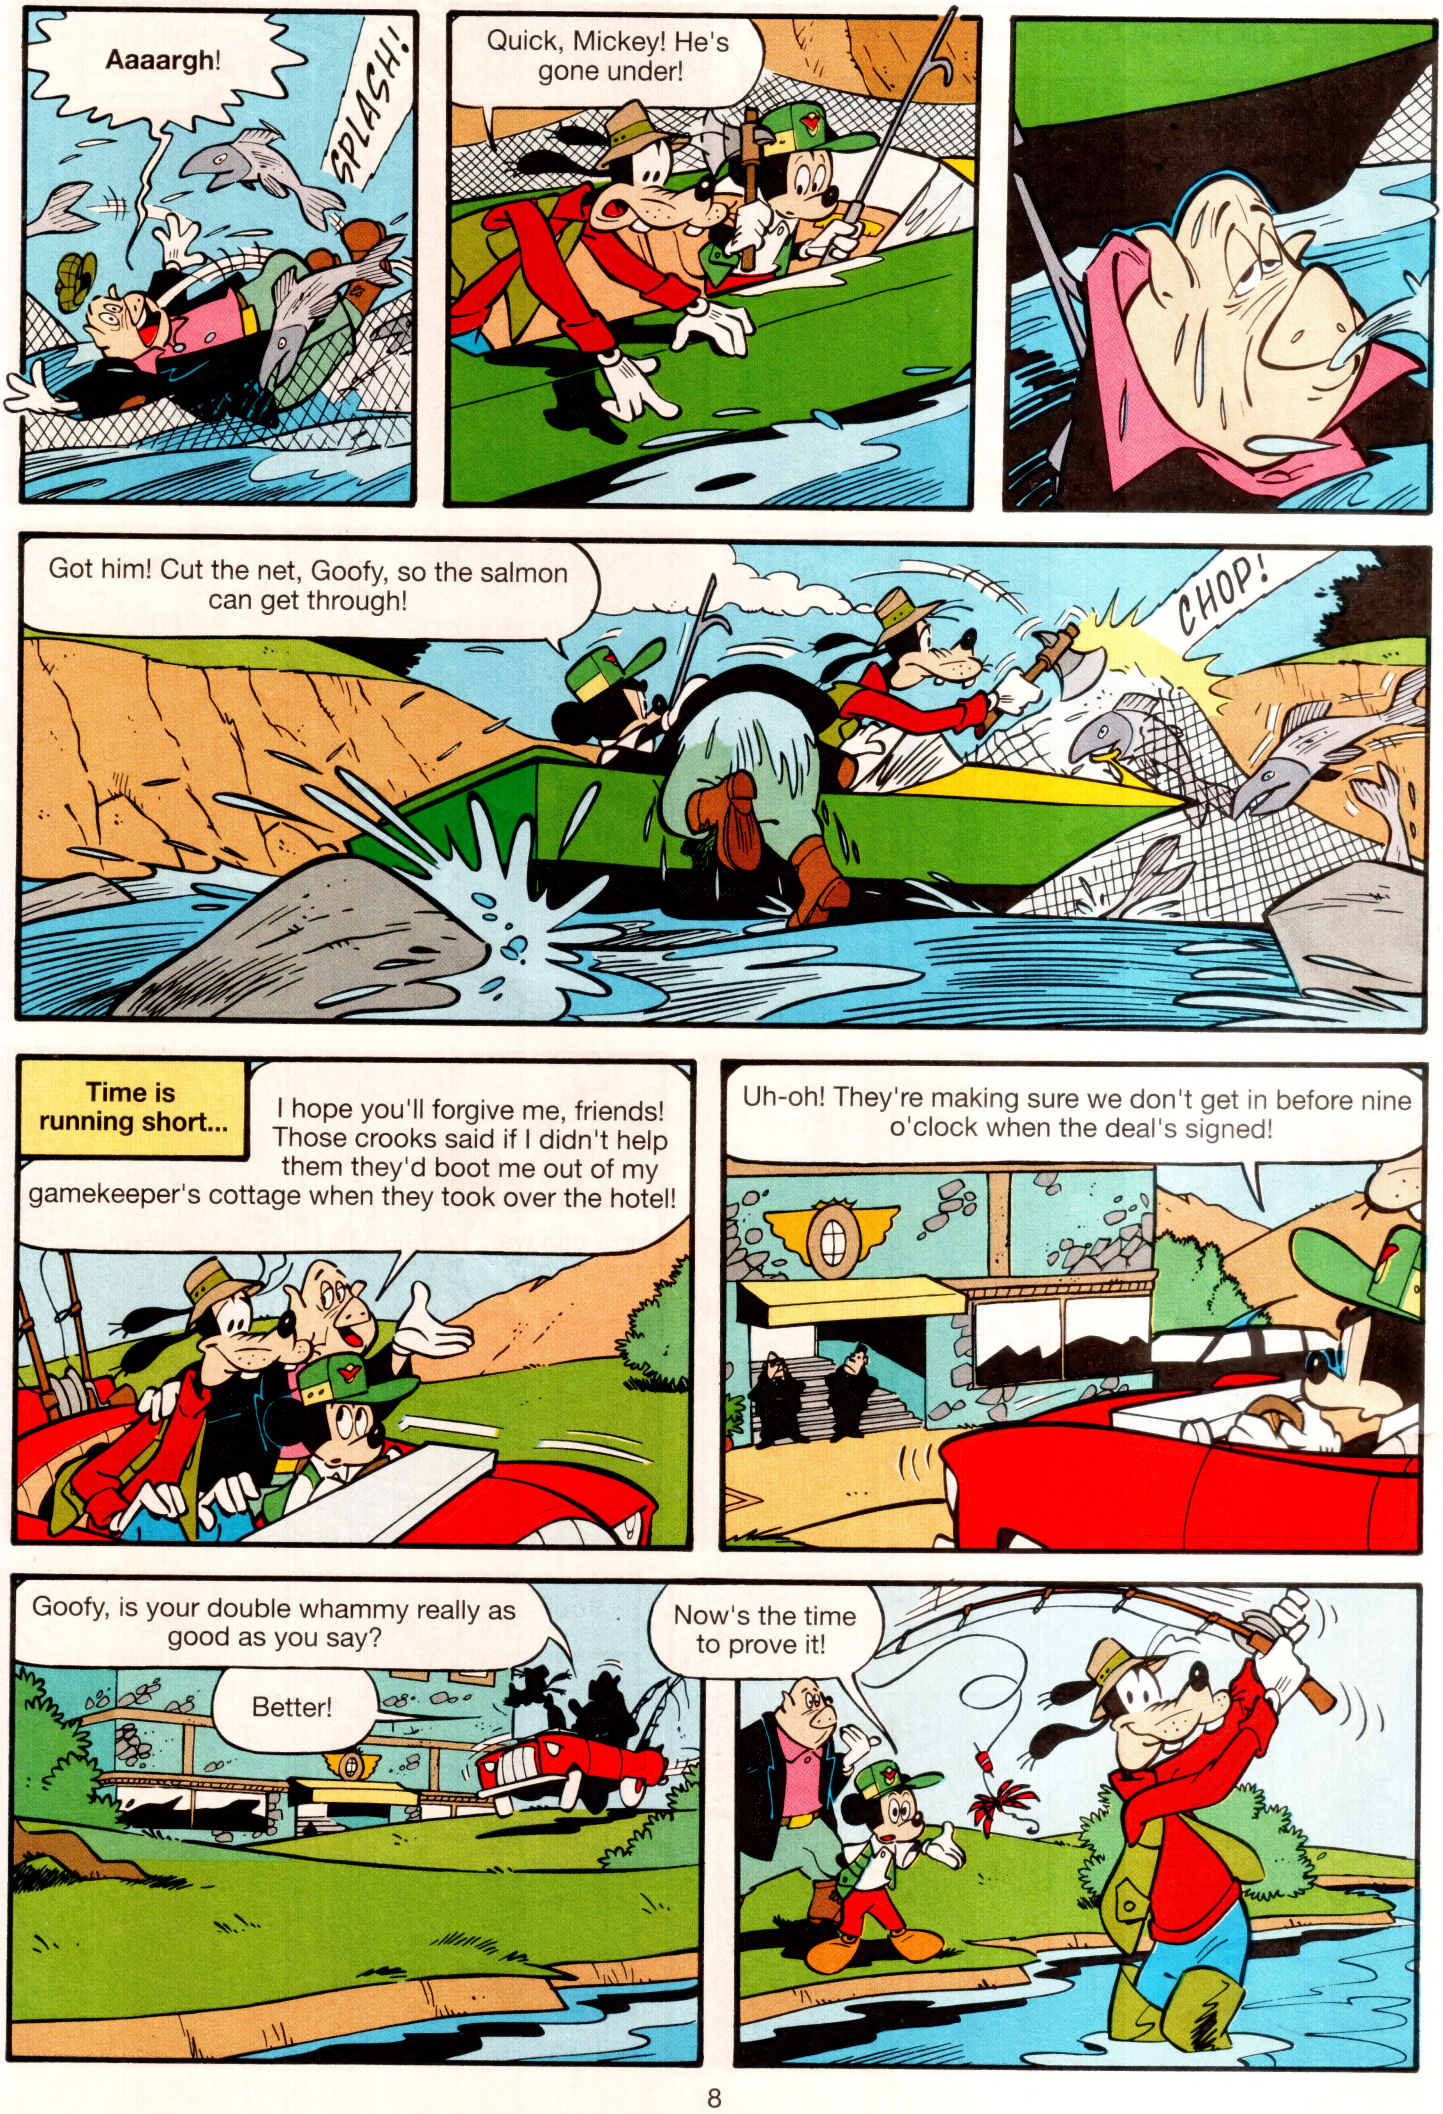


Don't look down, Goofy!
I can't! I've got my eyes closed!
Wait, I forgot something! Don't move!
I can't! I've got my eyes closed!
Minutes later...
We've reached the next office! You can open your eyes now!
We're window cleaners, Miss! May we take a short-cut through your office for our morning coffee break?
(Gulp!)
Sure! But why not have your coffee here? I've got plenty!
Gosh! Don't mind if I do, Miss!
Goofy!
But she's being so **nice!** And you said we were window cleaners!
That was a white lie, Goofy! Now hurry up!

Soon...
Just another couple of minutes to the hotel!
We've **got** to make it before nine!
BLAM!
SCREECH!
Nice shot! Now go after those snoops! You know the terrain better than us!
We don't care what you do with them as long as they're kept away until the contract's signed!
(Pant!) Look! Somebody put a net across the river!
Very clever! That's how those crooks kept the salmon from reaching the hotel!



Quick, Mickey! The gamekeeper's catching up!
Halt! Put your hands up!
SPROING!
WHAP!
Yeeeaagh!
Gosh, Mickey! I didn't mean to **drown** him!
I know that! Look, the net might save him!
HELP!
How can we reach you?
There's a motorboat moored down-river! Please hurry! I was forced into this dirty business, you know!
Soon...
Uh-oh! He's losing his grip!
VROOOM!

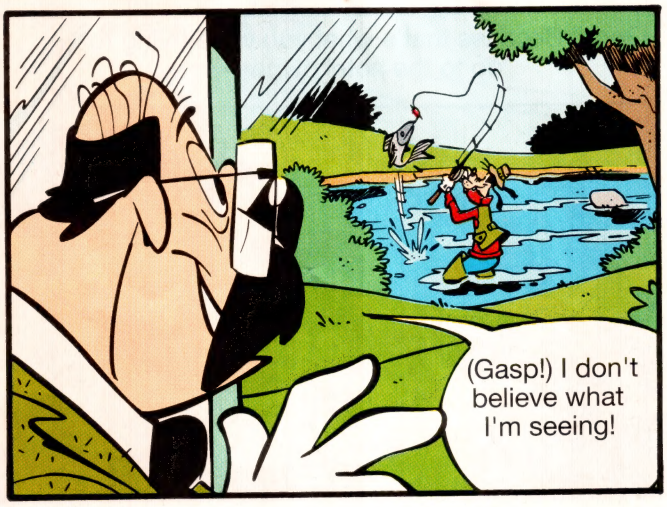


Aaaargh!
SPLASH!
Quick, Mickey! He's gone under!
Got him! Cut the net, Goofy, so the salmon can get through!
CHOP!
Time is running short...
I hope you'll forgive me, friends! Those crooks said if I didn't help them they'd boot me out of my gamekeeper's cottage when they took over the hotel!
Uh-oh! They're making sure we don't get in before nine o'clock when the deal's signed!
Goofy, is your double whammy really as good as you say?
Better!
Now's the time to prove it!

Brilliant! It's a big one!

Quick, fire a shot in the air!

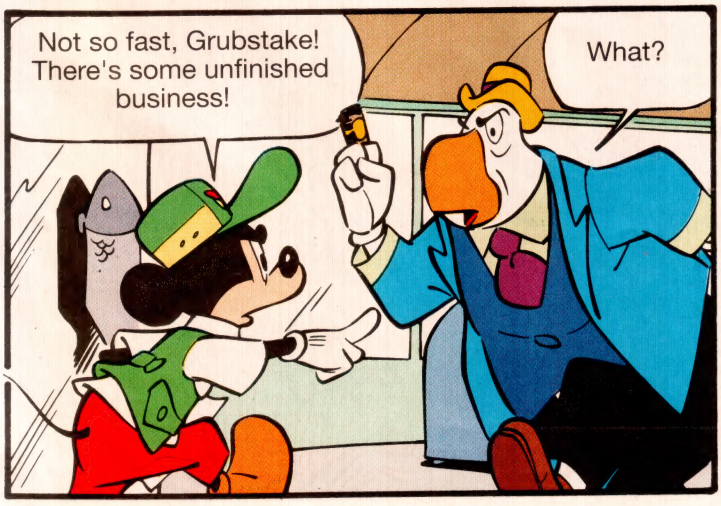
Huh? What was that?
BLAM!



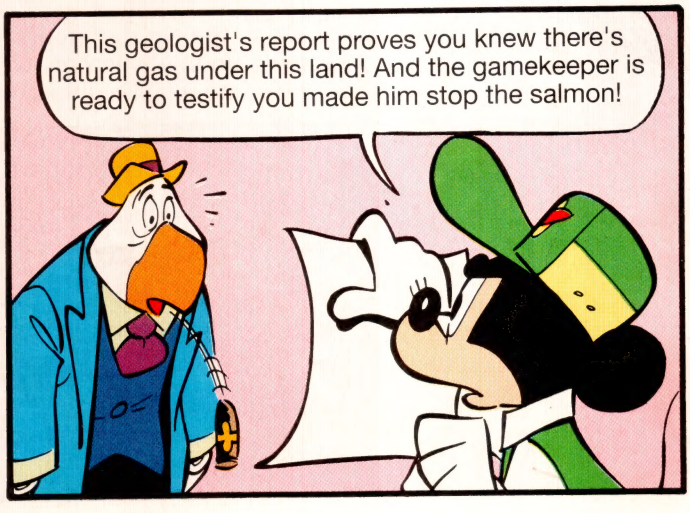
(Gasp!) I don't believe what I'm seeing!

The contract! Please sign the contract!

The **salmon** are back! You know what you can do with your contract!
RIP!



Not so fast, Grubstake! There's some unfinished business!
What?



This geologist's report proves you knew there's natural gas under this land! And the gamekeeper is ready to testify you made him stop the salmon!

So we want **compensation** for the hotel's lost earnings! And as a gesture of goodwill, money for **improvements!** Otherwise you'll find yourself under arrest!
B-but that'll put me out of business!

Good! Because that's what you were trying to do to the hotel owner!

Later...
I'm glad you're keeping the hotel open for fishing rather than exploiting the gas reserves!

No way could I waste fishing like that!

And it was kind of you not to press charges against the gamekeeper!
Ho! Ho! He's being punished enough right now!

Hamish can't stand the sight of people fishing successfully! Goofy's double whammy will give the poor fellow some awful nightmares!

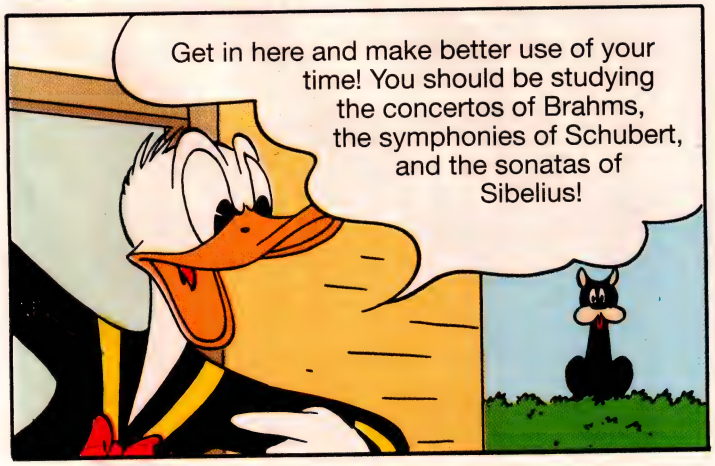
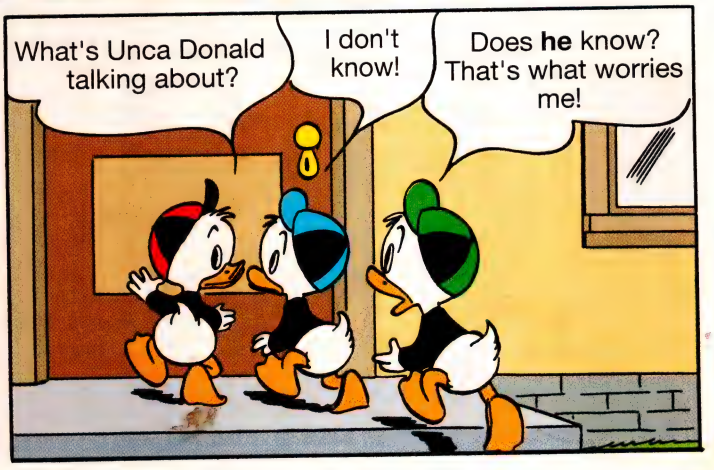
DONALD DUCK

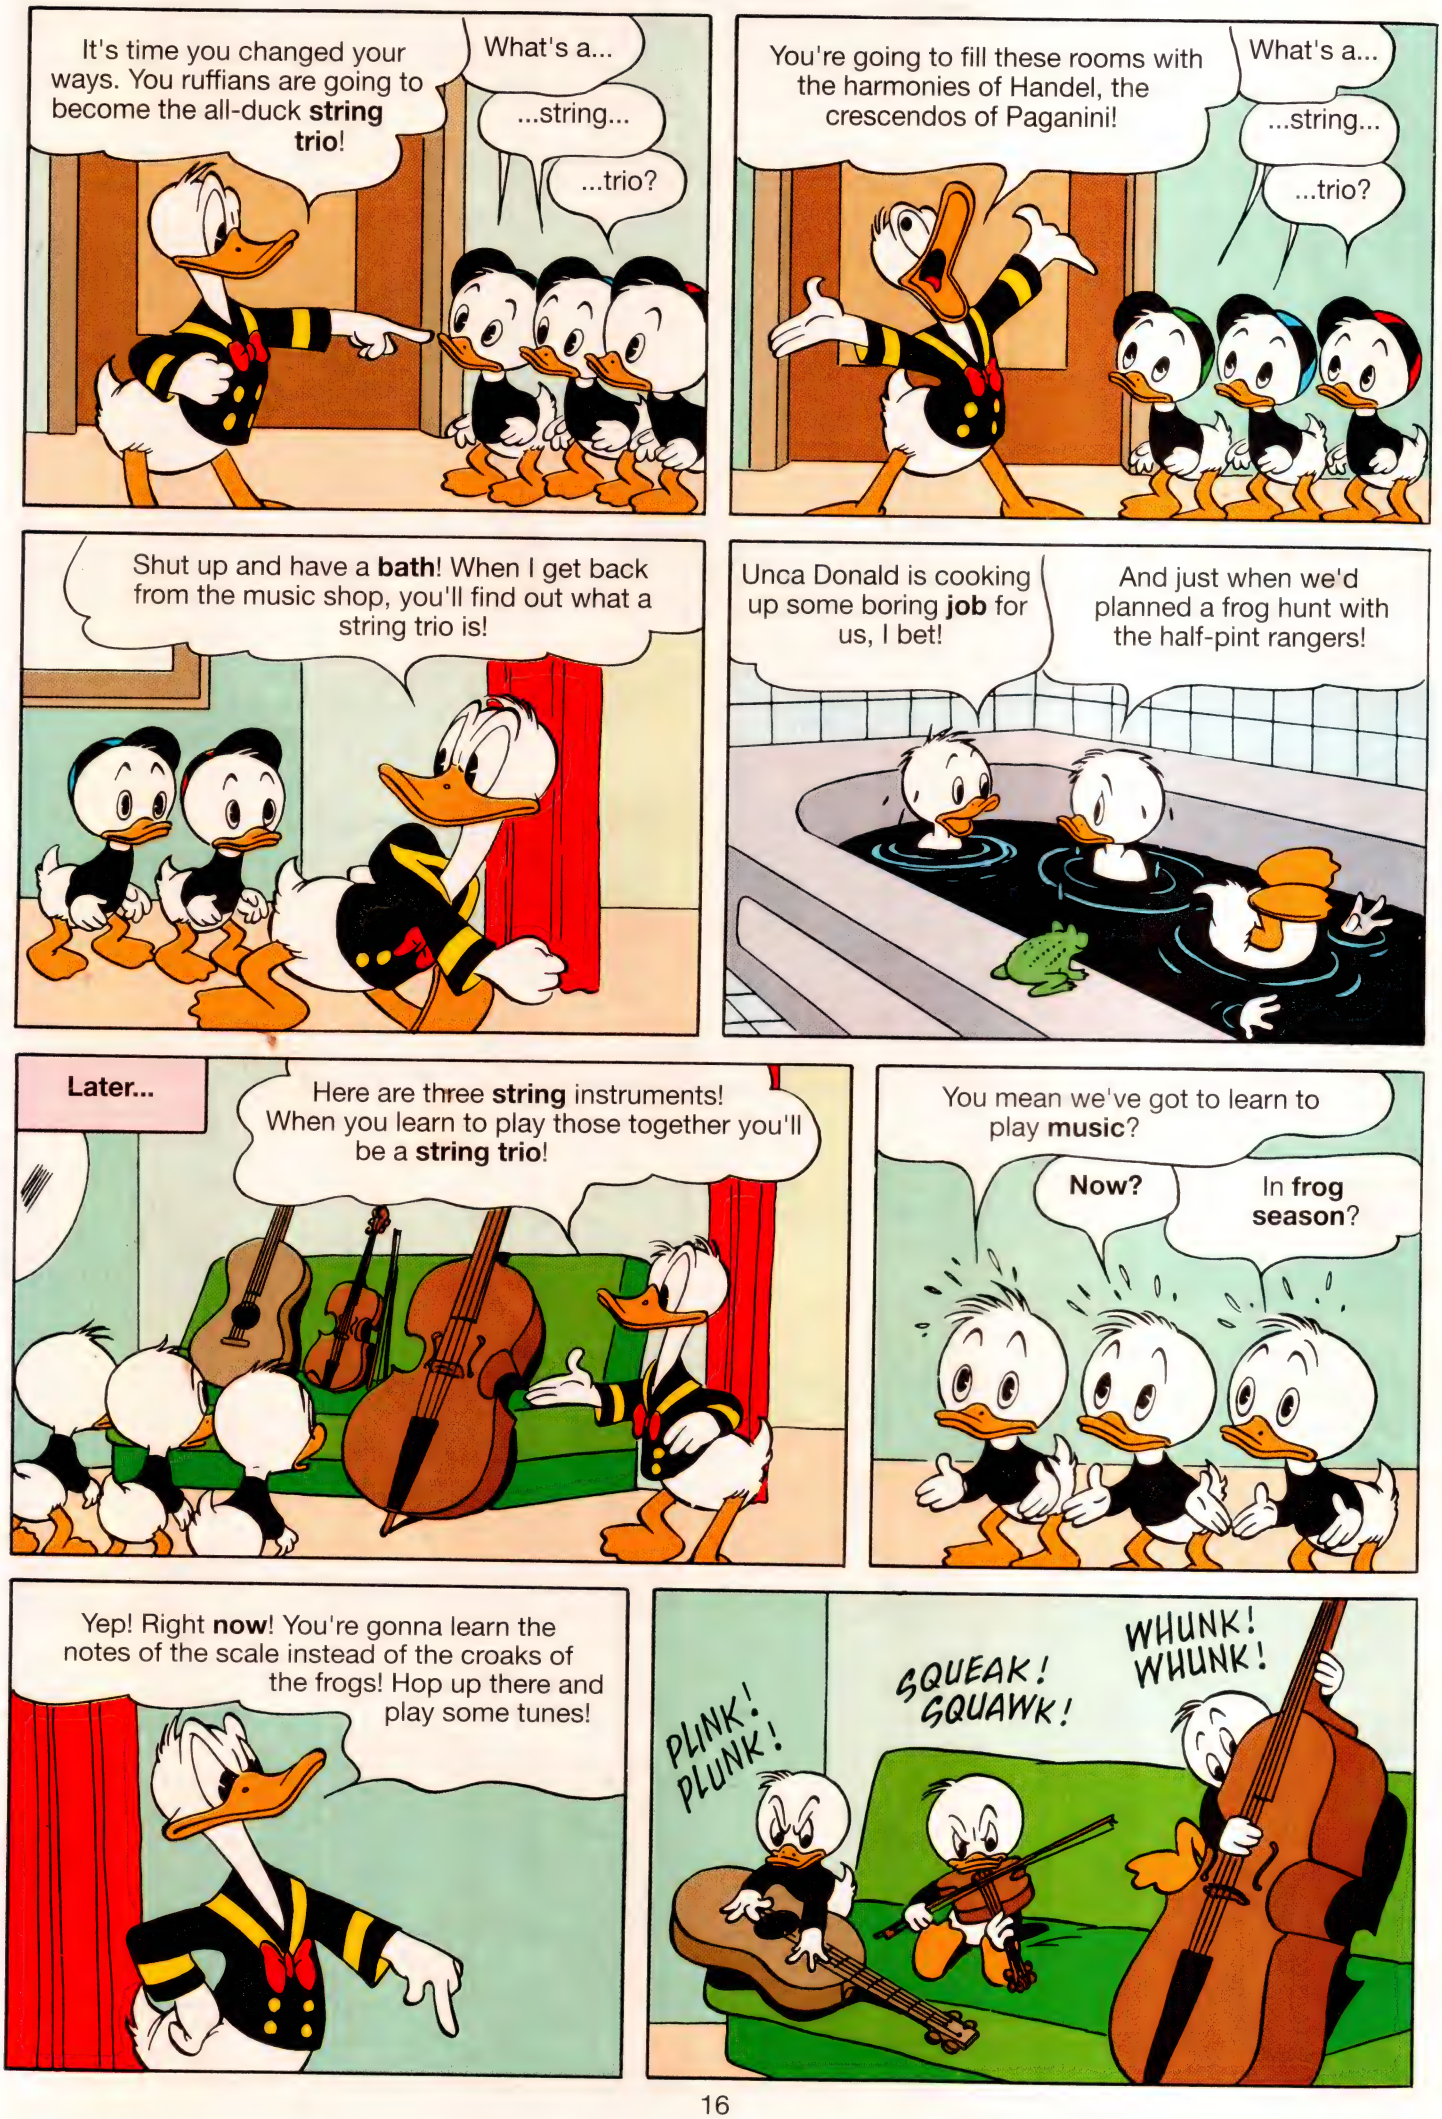
String Trio

"Children should be taught to play musical instruments at an early age! The musical child is more likely to succeed in life!"



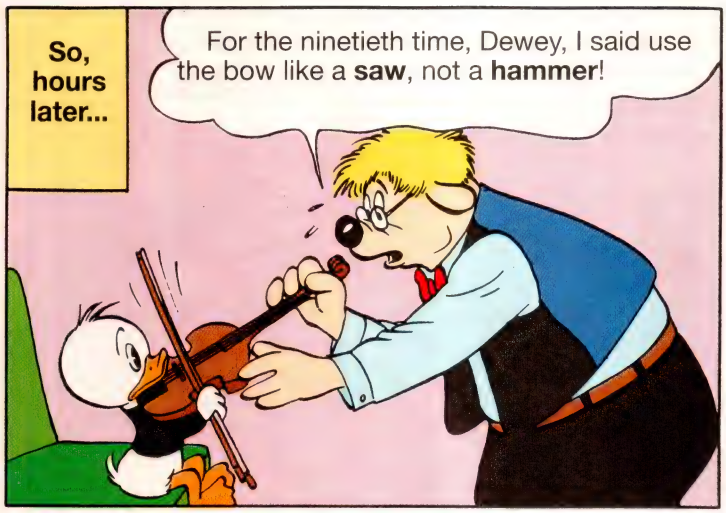
Get in here and make better use of your time! You should be studying the concertos of Brahms, the symphonies of Schubert, and the sonatas of Sibelius!



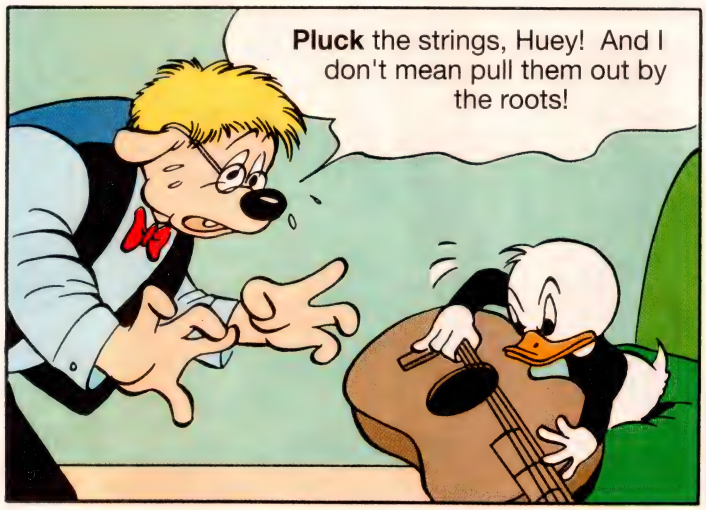


It's time you changed your ways. You ruffians are going to become the all-duck **string trio**!
What's a...
...string...
...trio?
You're going to fill these rooms with the harmonies of Handel, the crescendos of Paganini!
What's a...
...string...
...trio?
Shut up and have a **bath**! When I get back from the music shop, you'll find out what a string trio is!
Unca Donald is cooking up some boring **job** for us, I bet!
And just when we'd planned a frog hunt with the half-pint rangers!
Later...
Here are three **string** instruments! When you learn to play those together you'll be a **string trio**!
You mean we've got to learn to play **music**?
Now?
In **frog season**?
Yep! Right **now**! You're gonna learn the notes of the scale instead of the croaks of the frogs! Hop up there and play some tunes!
PLINK! PLUNK!
SQUEAK! SQUAWK!
WHUNK! WHUNK!

Yikes! That's awful! I'll have to find a teacher for you!
WHAK!
SKEEK!
HOMP!
PLANK!

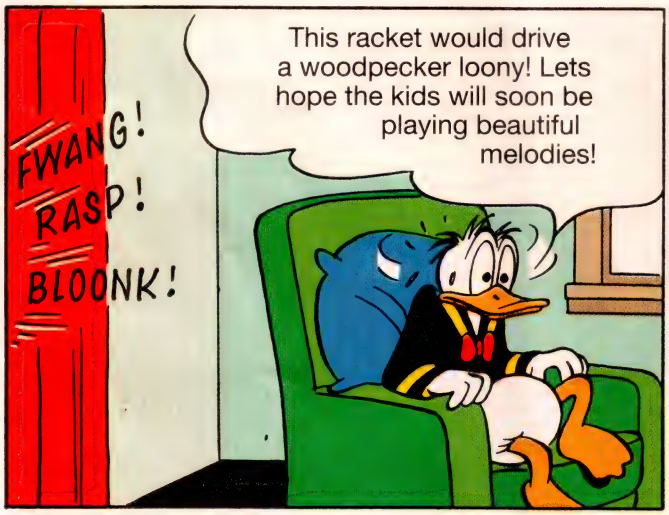


So, hours later...
For the ninetieth time, Dewey, I said use the bow like a **saw**, not a **hammer**!

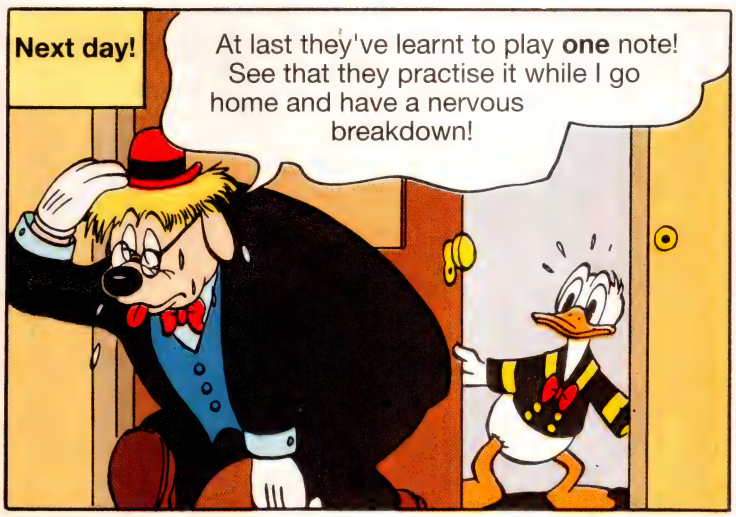


Pluck the strings, Huey! And I don't mean pull them out by the roots!

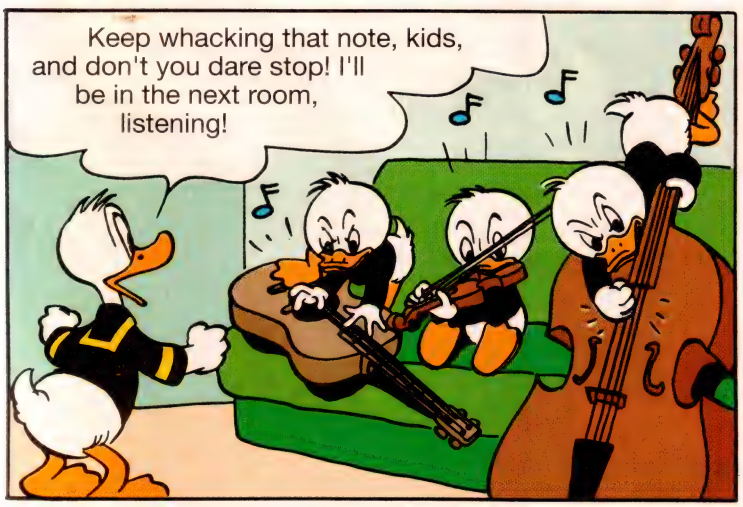
Louie, no matter which string you strike or where you strike it, it still goes "bloonk"!



FWANG!
RASP!
BLOONK!
This racket would drive a woodpecker loony! Lets hope the kids will soon be playing beautiful melodies!

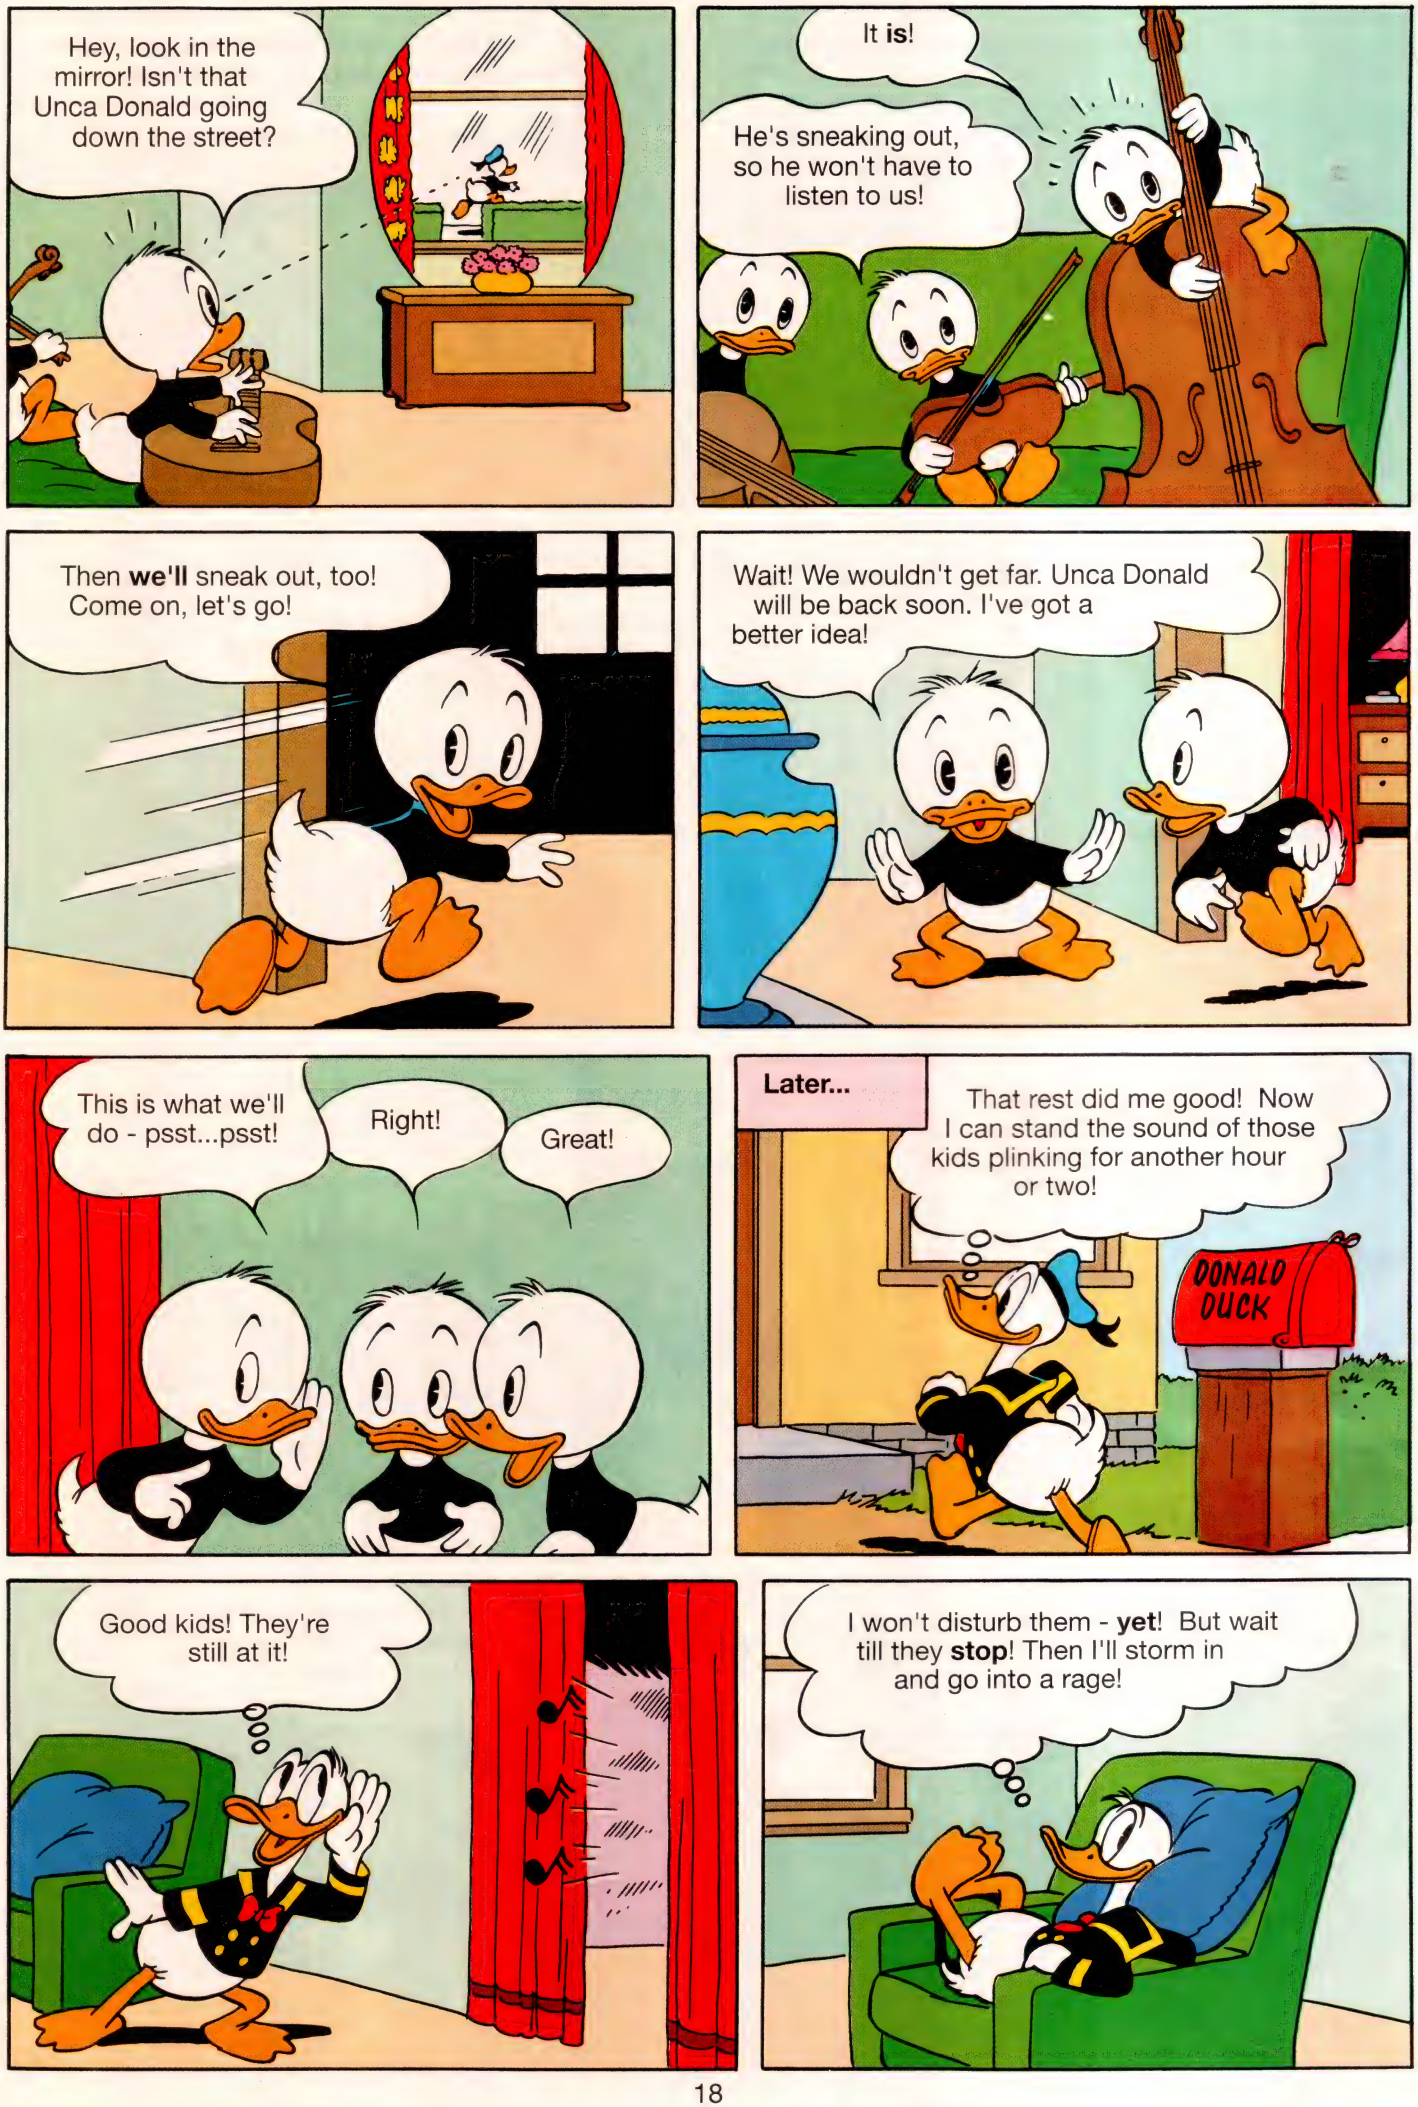


Next day!
At last they've learnt to play **one** note! See that they practise it while I go home and have a nervous breakdown!

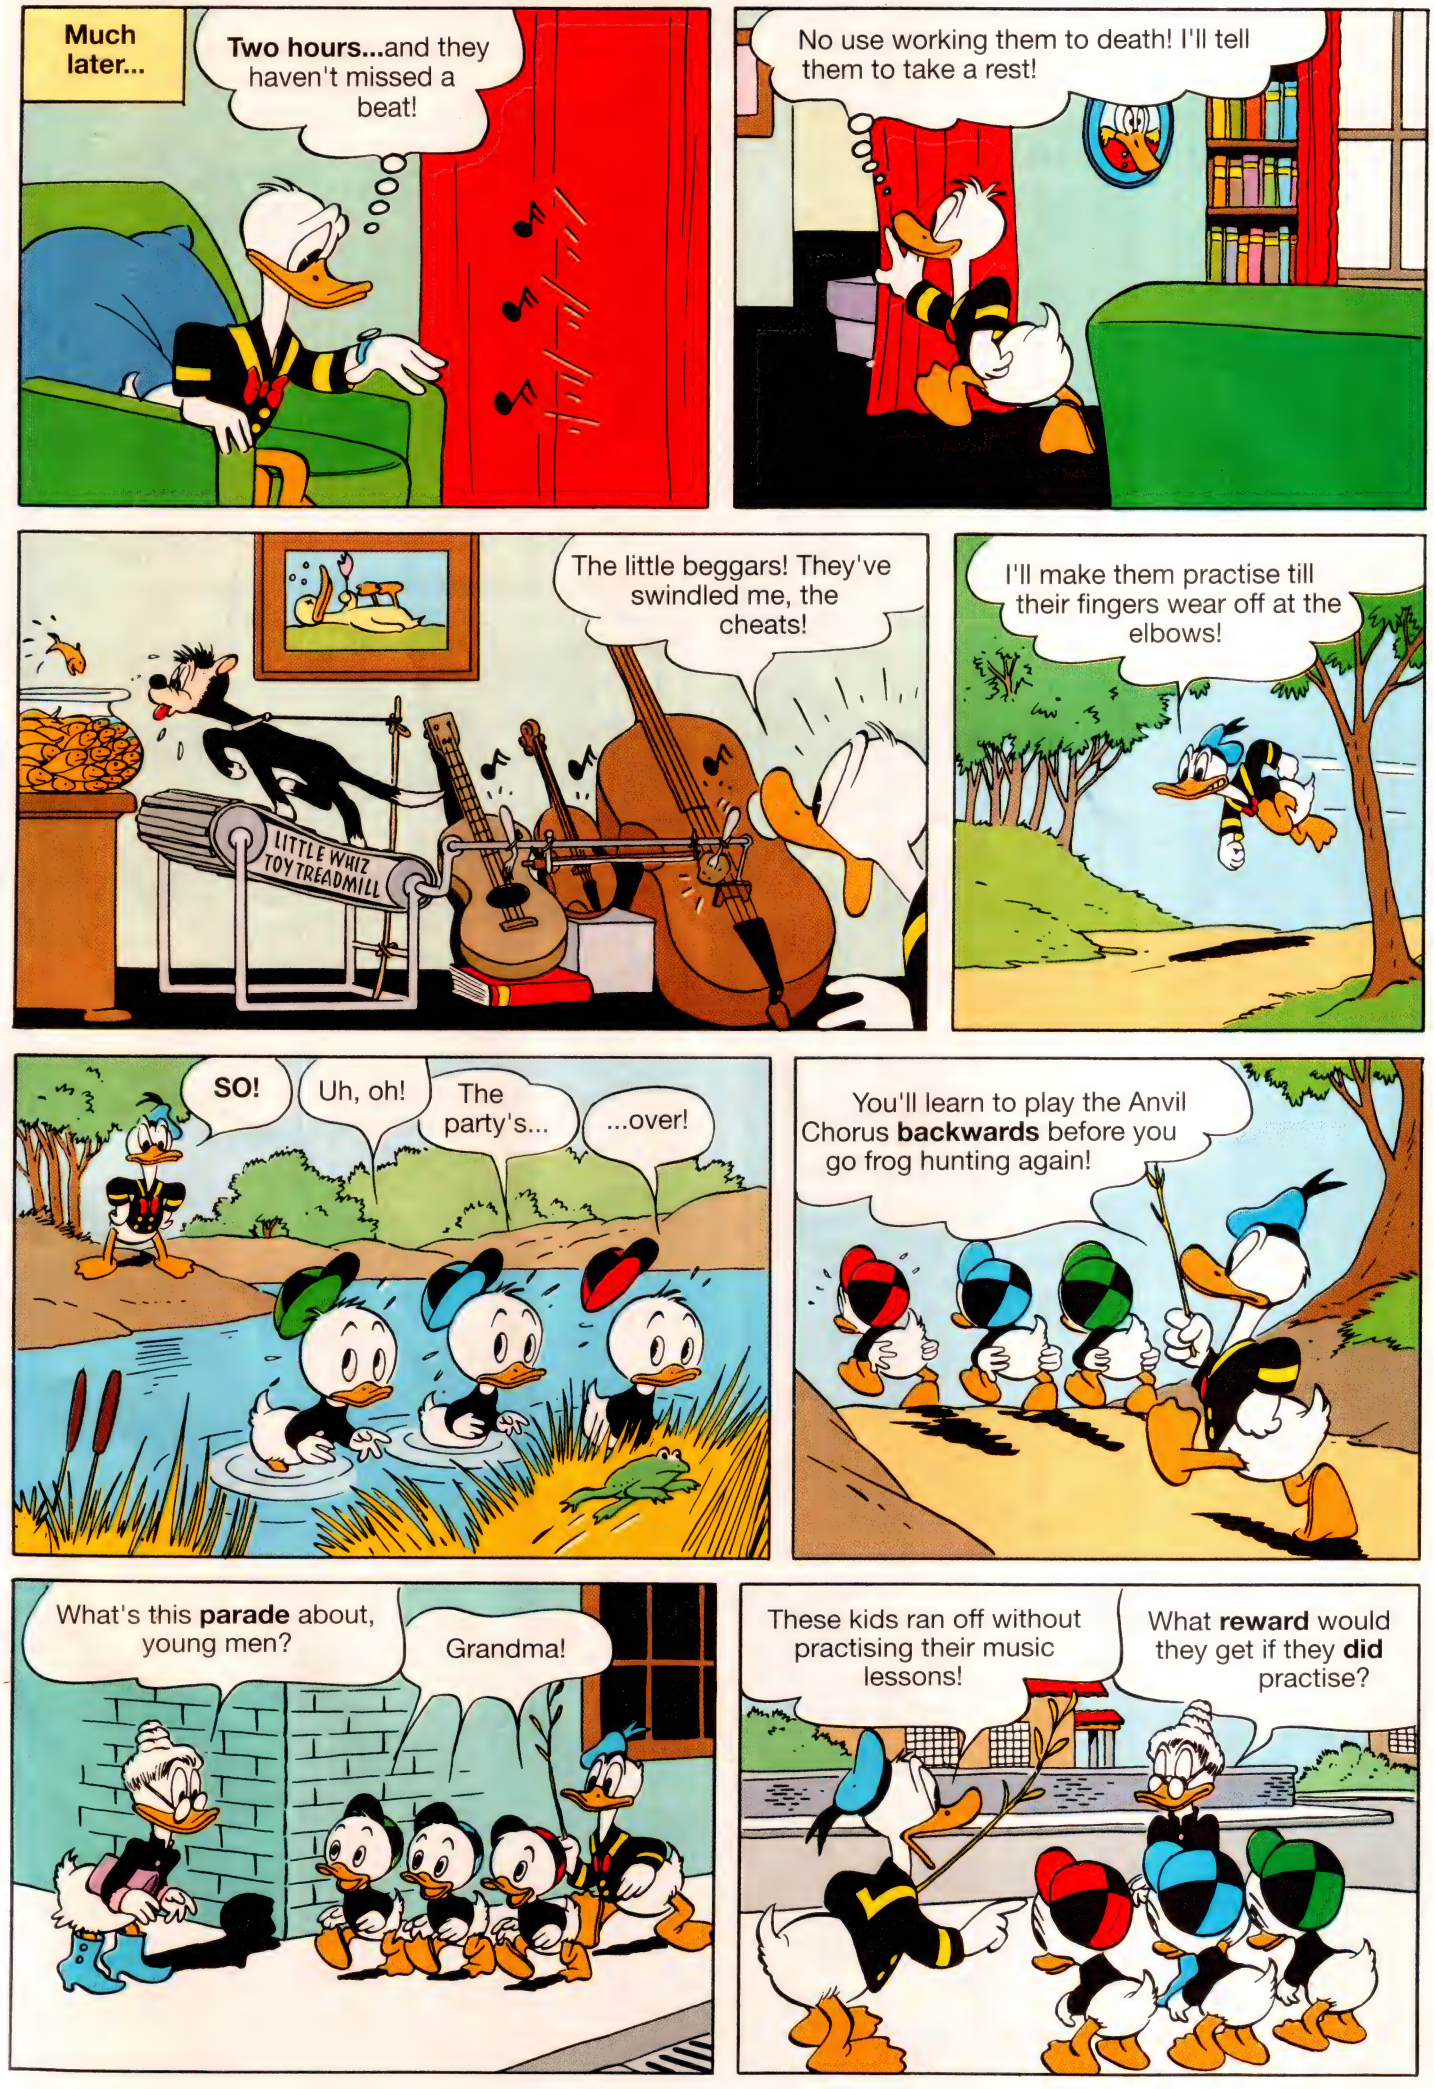


Keep whacking that note, kids, and don't you dare stop! I'll be in the next room, listening!

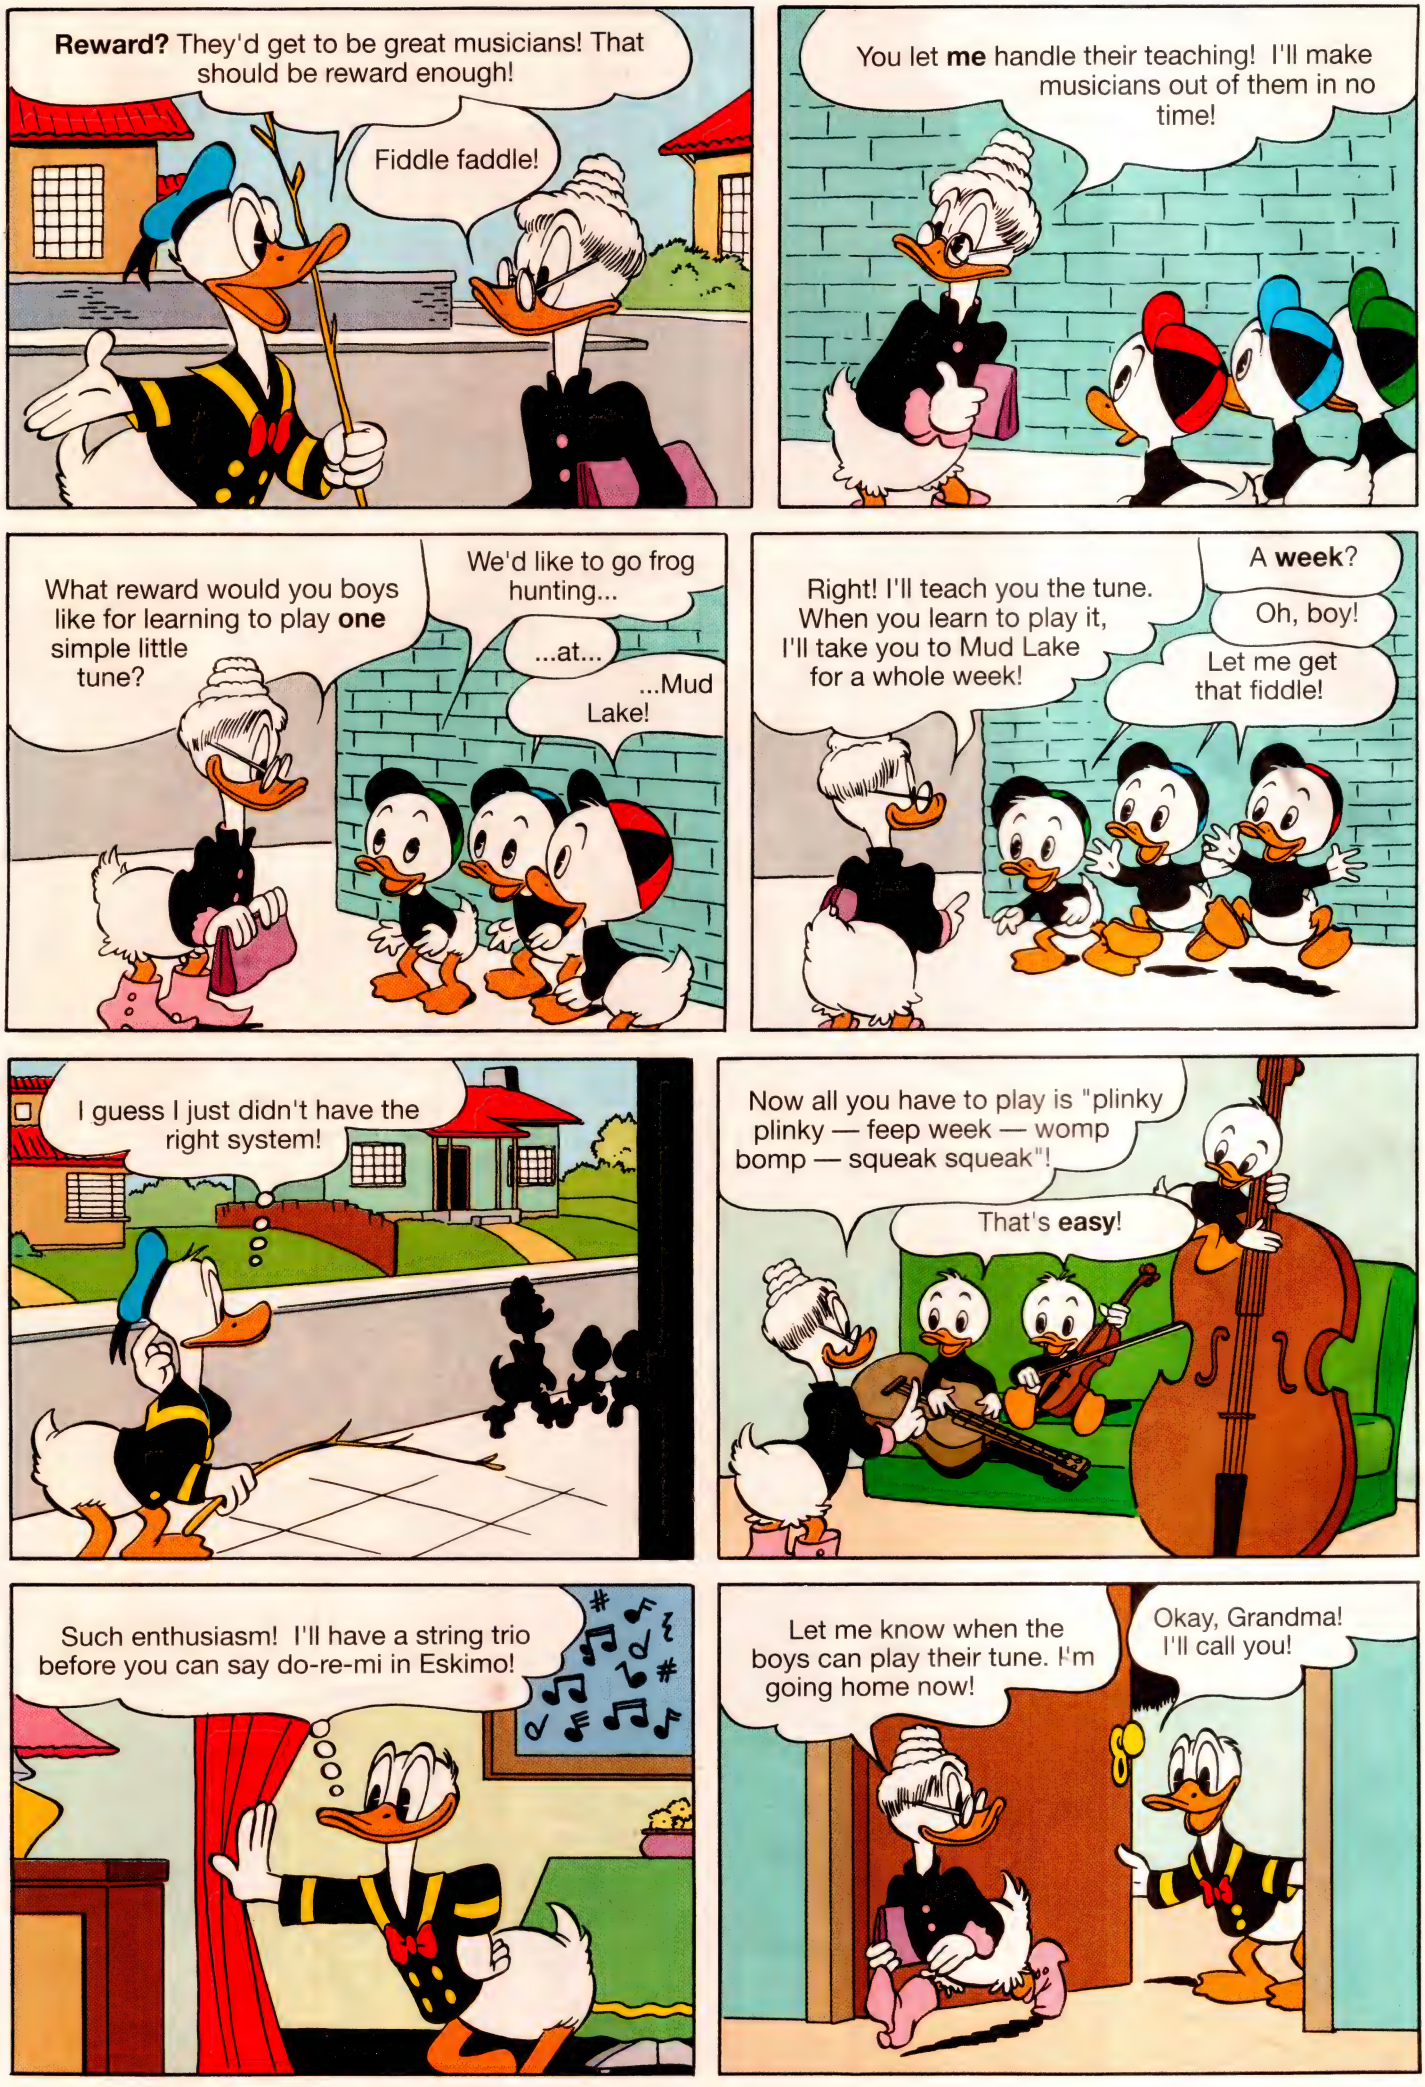
I won't really! I'm off into town to give my ears a rest!



Hey, look in the mirror! Isn't that Unca Donald going down the street?
It **is**!
He's sneaking out, so he won't have to listen to us!
Then **we'll** sneak out, too! Come on, let's go!
Wait! We wouldn't get far. Unca Donald will be back soon. I've got a better idea!
This is what we'll do - psst...psst!
Right!
Great!
Later...
That rest did me good! Now I can stand the sound of those kids plinking for another hour or two!
DONALD DUCK
Good kids! They're still at it!
I won't disturb them - **yet**! But wait till they **stop**! Then I'll storm in and go into a rage!



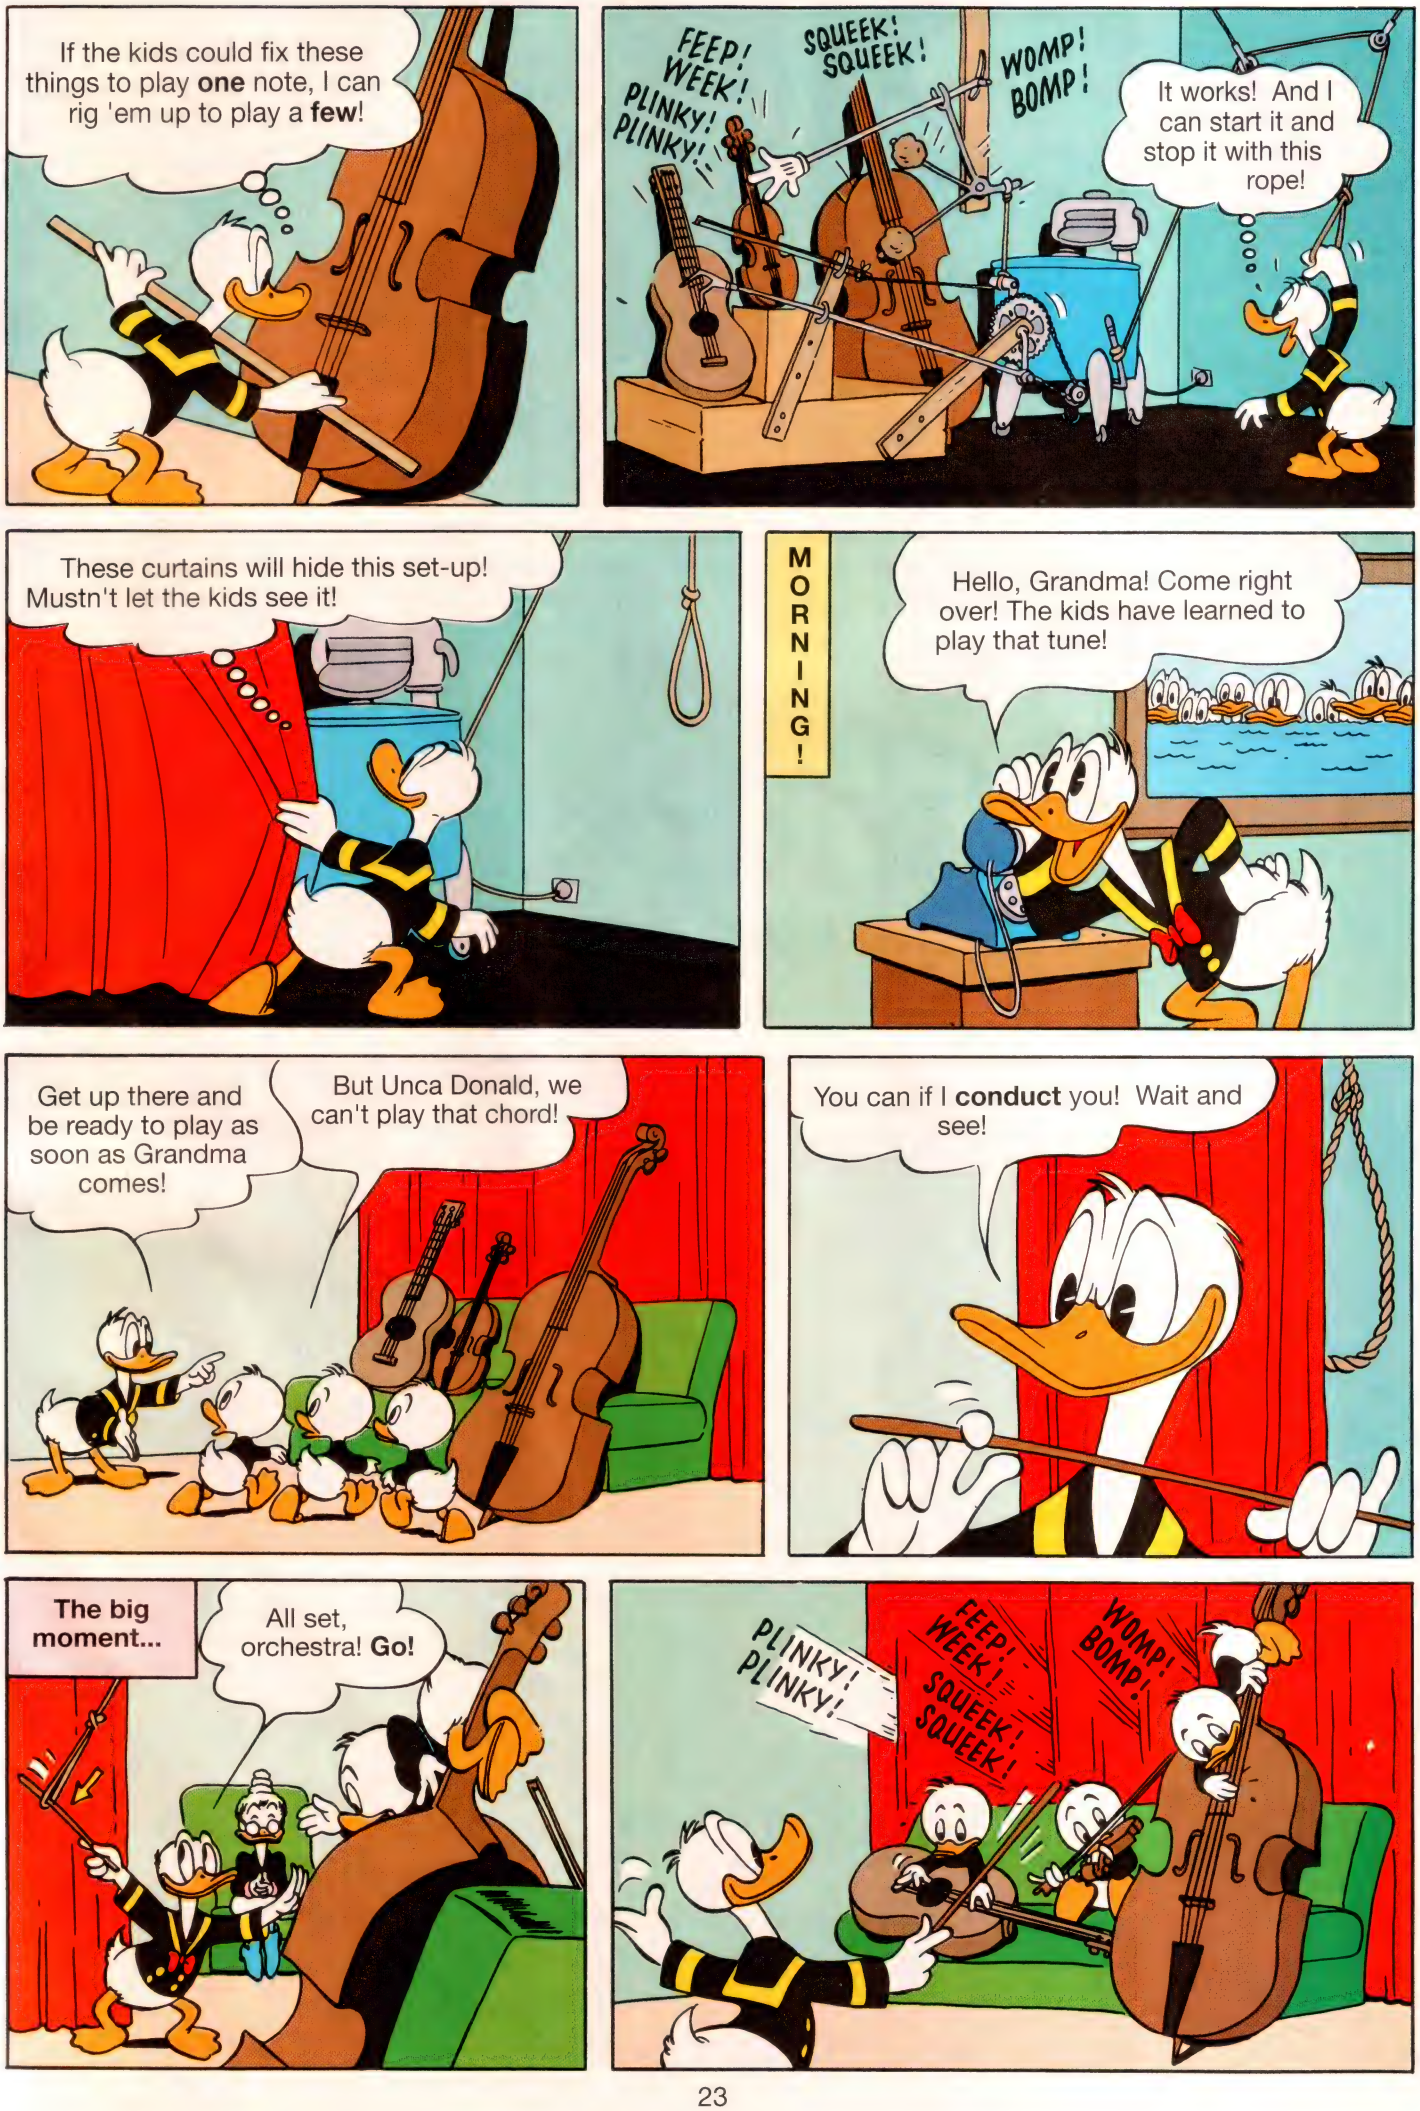
Much later...
Two hours...and they haven't missed a beat!
No use working them to death! I'll tell them to take a rest!
The little beggars! They've swindled me, the cheats!
LITTLE WHIZ TOY TREADMILL
I'll make them practise till their fingers wear off at the elbows!
SO!
Uh, oh!
The party's...
...over!
You'll learn to play the Anvil Chorus **backwards** before you go frog hunting again!
What's this **parade** about, young men?
Grandma!
These kids ran off without practising their music lessons!
What **reward** would they get if they **did** practise?



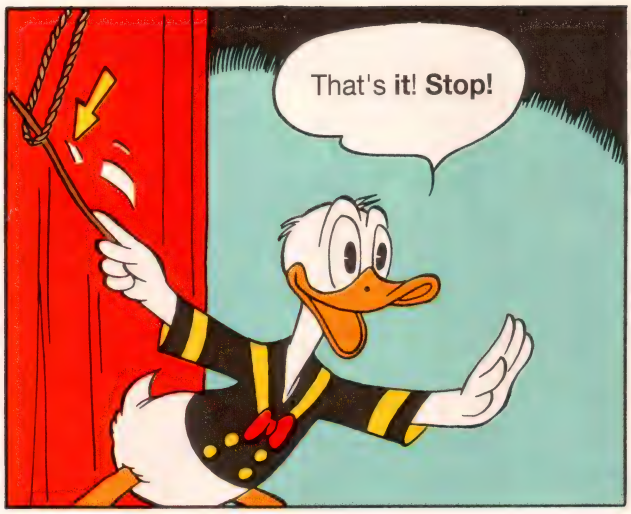
Reward? They'd get to be great musicians! That should be reward enough!
Fiddle faddle!
You let **me** handle their teaching! I'll make musicians out of them in no time!
What reward would you boys like for learning to play **one** simple little tune?
We'd like to go frog hunting...
...at...
...Mud Lake!
Right! I'll teach you the tune. When you learn to play it, I'll take you to Mud Lake for a whole week!
A **week**?
Oh, boy!
Let me get that fiddle!
I guess I just didn't have the right system!
Now all you have to play is "plinky plinky — feep week — womp bomp — squeak squeak"!
That's **easy**!
Such enthusiasm! I'll have a string trio before you can say do-re-mi in Eskimo!
Let me know when the boys can play their tune. I'm going home now!
Okay, Grandma! I'll call you!

Hours pass...
TWANG!
SKREEK!
They're not picking it up very quickly!
BLONG!
And more hours...
PLANG!
FREEF!
OMP!
When are they going to learn that tune, so I can go to bed?
FRANG!
SKREEK!
SPROING!
They won't quit till they drop! I'll just have to sleep out here where it's quiet!
RASP!
GLOMK!
SKRUNK!
SPRANG!
I can't pluck another string! I'm all twanged out!
Same here!
Ditto!
Plinky! Plinky!
Rasp! Twang!
Womp! Bomp!
Squeak! Squeak!
Z
Another day passes...
SQUAWK!
WHEEF!
TWANG!
BLUNK!
When? Oh, when? Oh, when?
RASP!
BLANG!
SPRONG!

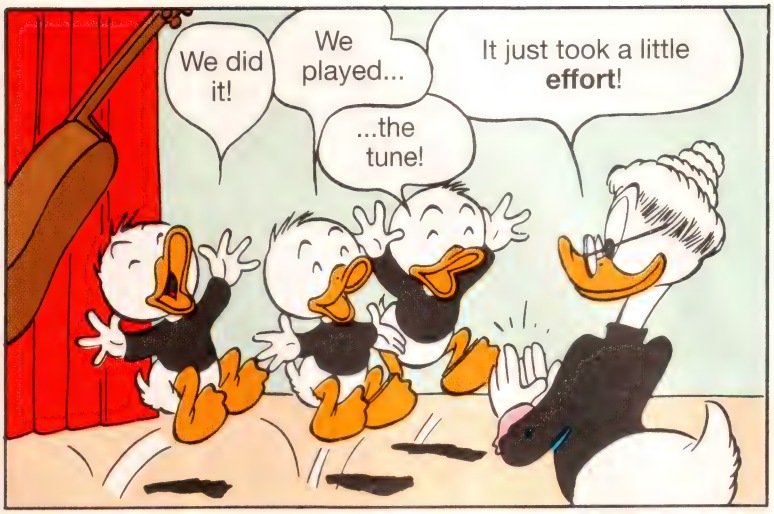
Another night!
Plinky! Plinky!
Twang!
Womp! Bomp!
Squeak! Squeak!
Fwang! Sprang! Glonk! Plunk!
Whump! Gloonk! Twang! Rasp!
Something has to be done!
MORNING!
You kids couldn't learn to play music in a thousand years! I'll take you to Mud Lake, and we'll forget the whole string trio idea!
No, Unca Donald!
That wouldn't be...
...honest!
We promised Grandma we'd learn to play that tune, ...
...and we...
...will!
(Groan!)
As I was sayin', something's gotta be done!
RAKE!
PUNG!
I want another guitar, a fiddle and a cello, like I bought here the other day!
BOBBIE SAX
SHEET MUSIC
FIVE O'CLOCK SHUDDER
FLATFOOT BESS IS A SOLID MESS!
CRANK UP YER CHIN MEN!
$50
Night again...
Plinky! Plinky!
Rasp! Twang!
Womp! Bomp!
Squeak! Squeak!



If the kids could fix these things to play **one** note, I can rig 'em up to play a **few**!
FEEP! WEEK! PLINKY! PLINKY!
SQUEEK! SQUEEK!
WOMP! BOMP!
It works! And I can start it and stop it with this rope!
These curtains will hide this set-up! Mustn't let the kids see it!
MORNING!
Hello, Grandma! Come right over! The kids have learned to play that tune!
Get up there and be ready to play as soon as Grandma comes!
But Unca Donald, we can't play that chord!
You can if I **conduct** you! Wait and see!
The big moment...
All set, orchestra! **Go!**
PLINKY! PLINKY!
FEEP! WEEK!
SQUEEK! SQUEEK!
WOMP! BOMP!



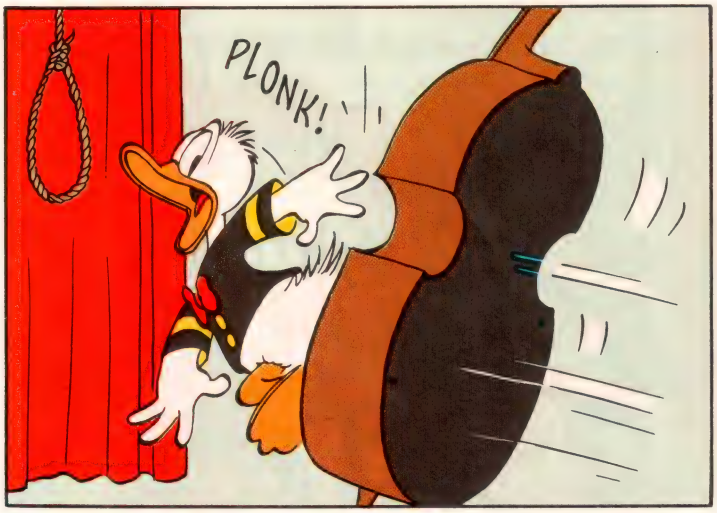
That's **it**! **Stop!**



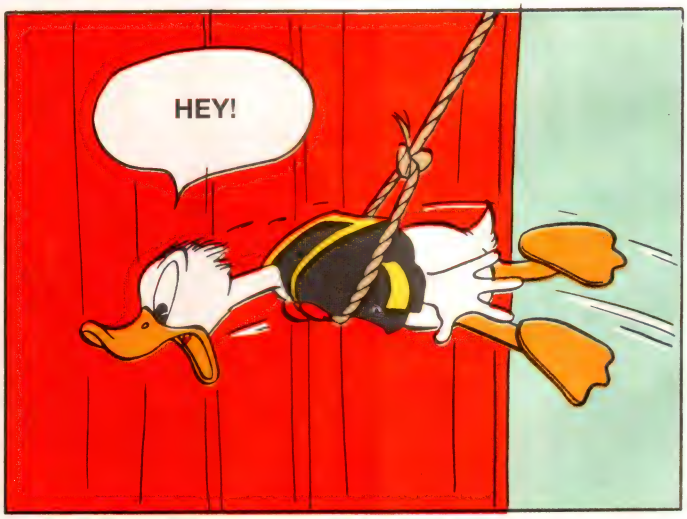
We did it!
We played...
...the tune!
It just took a little **effort**!

Come on, boys! We'll leave for Mud Lake right now!
See you **next week**! Hooray!

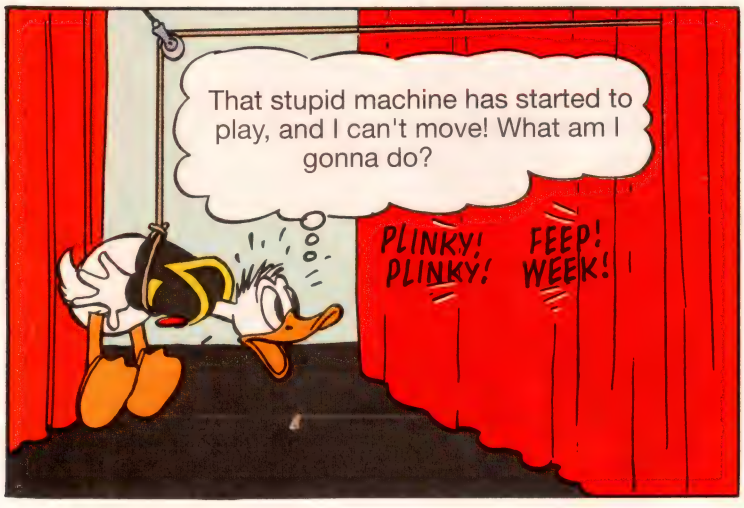
Ha! The kids thought **they** were playing that music! They weren't making a sound, though, because I'd put **rubber** strings on their instruments!



PLONK!

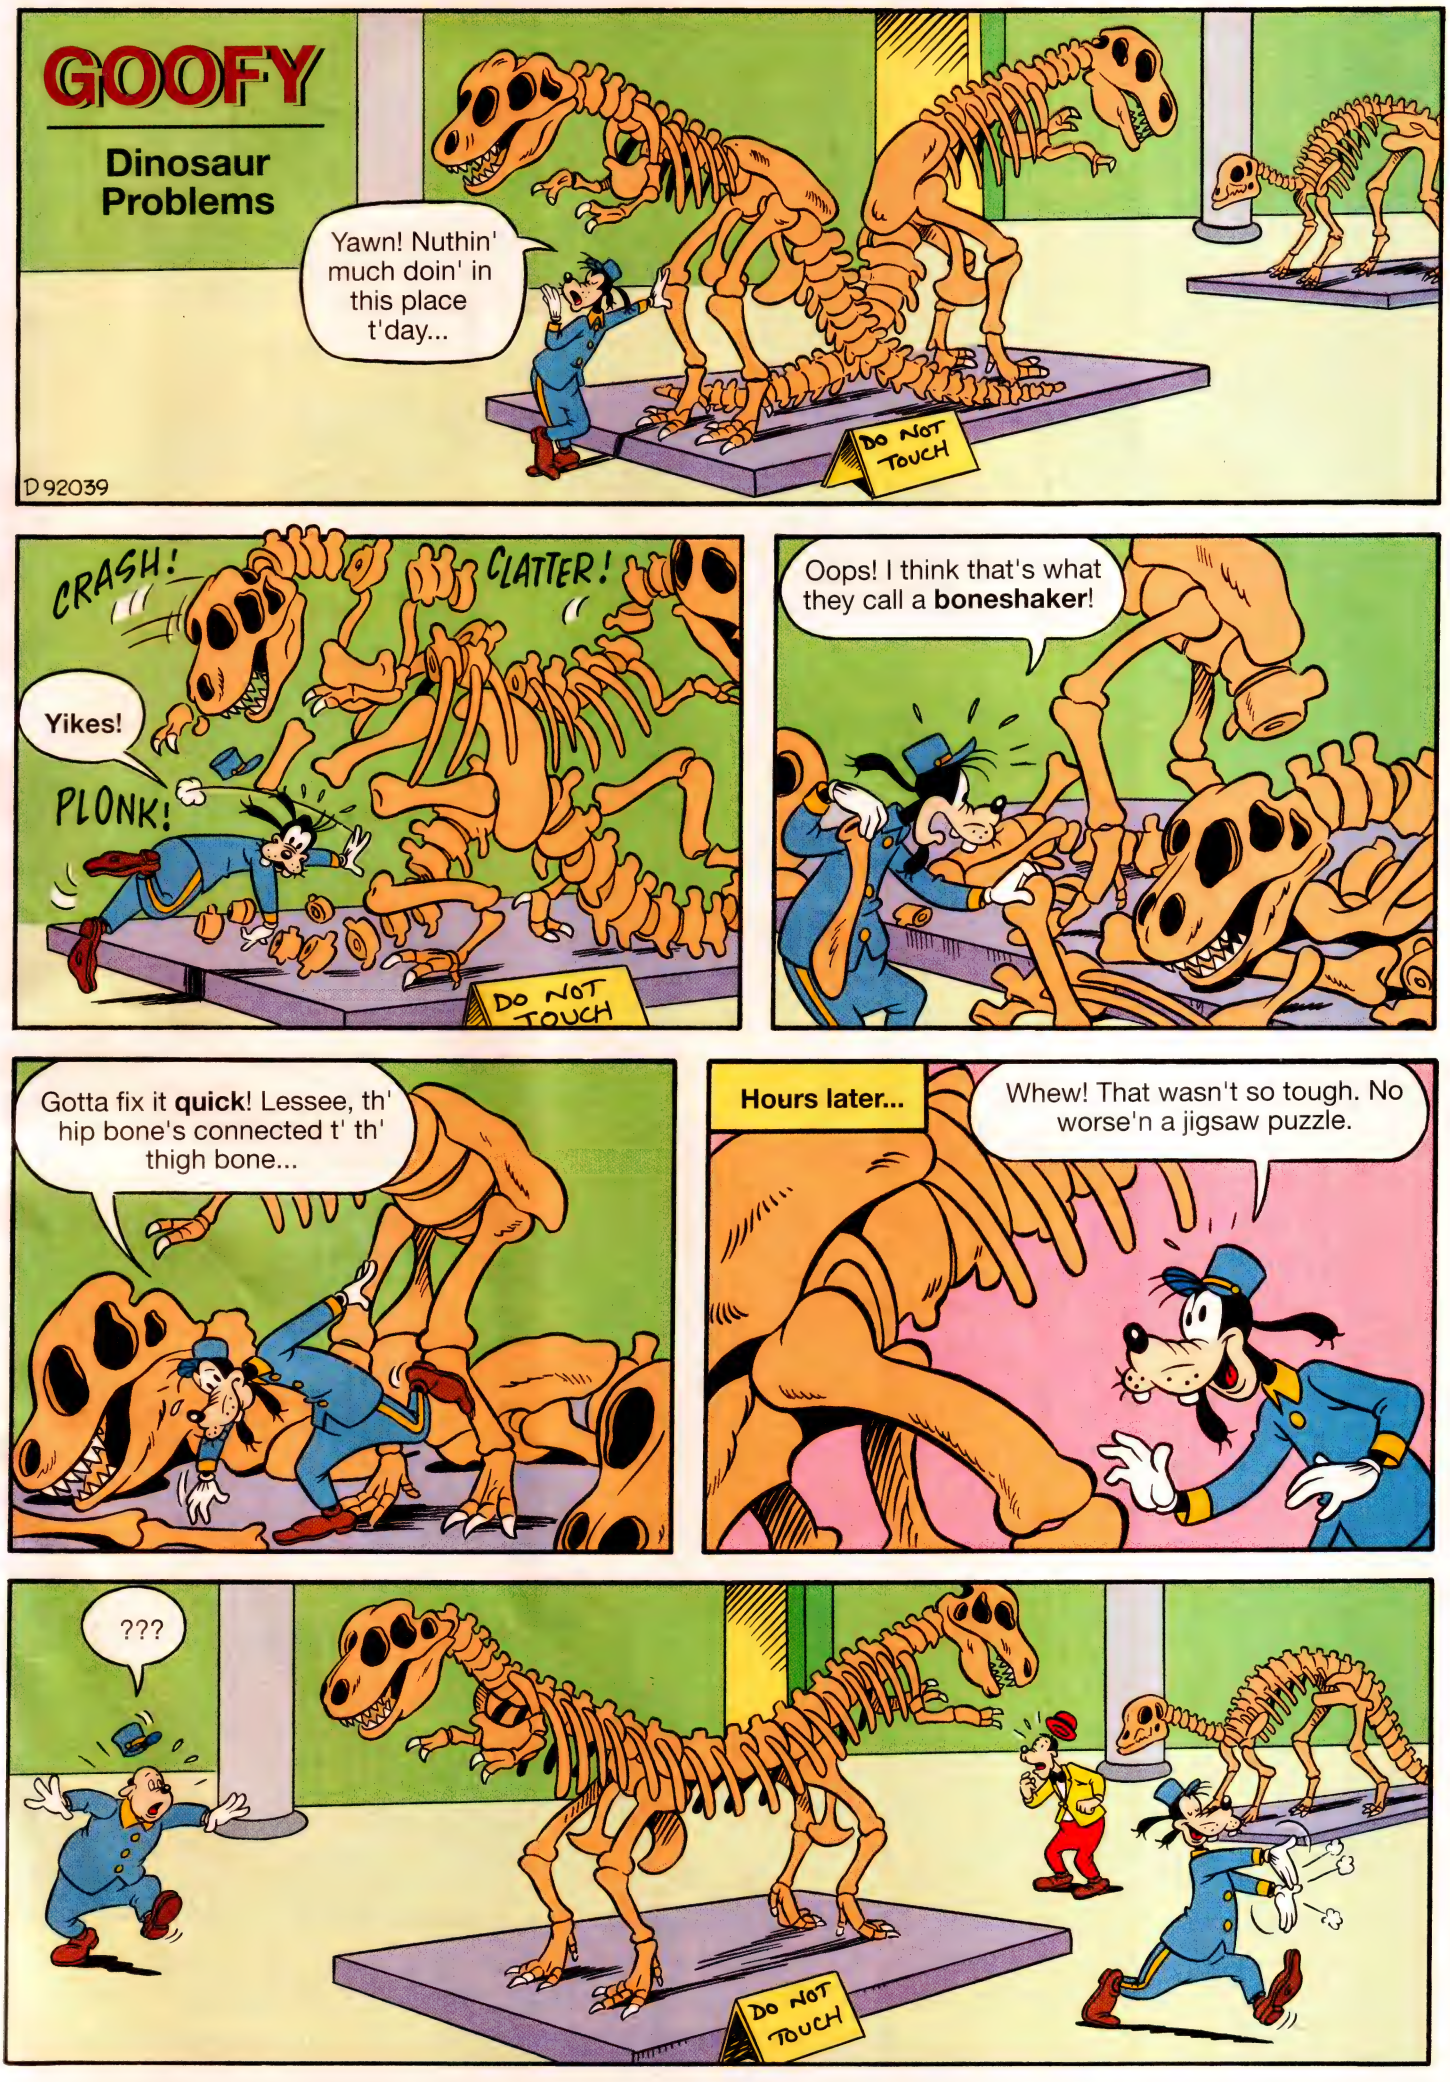


HEY!

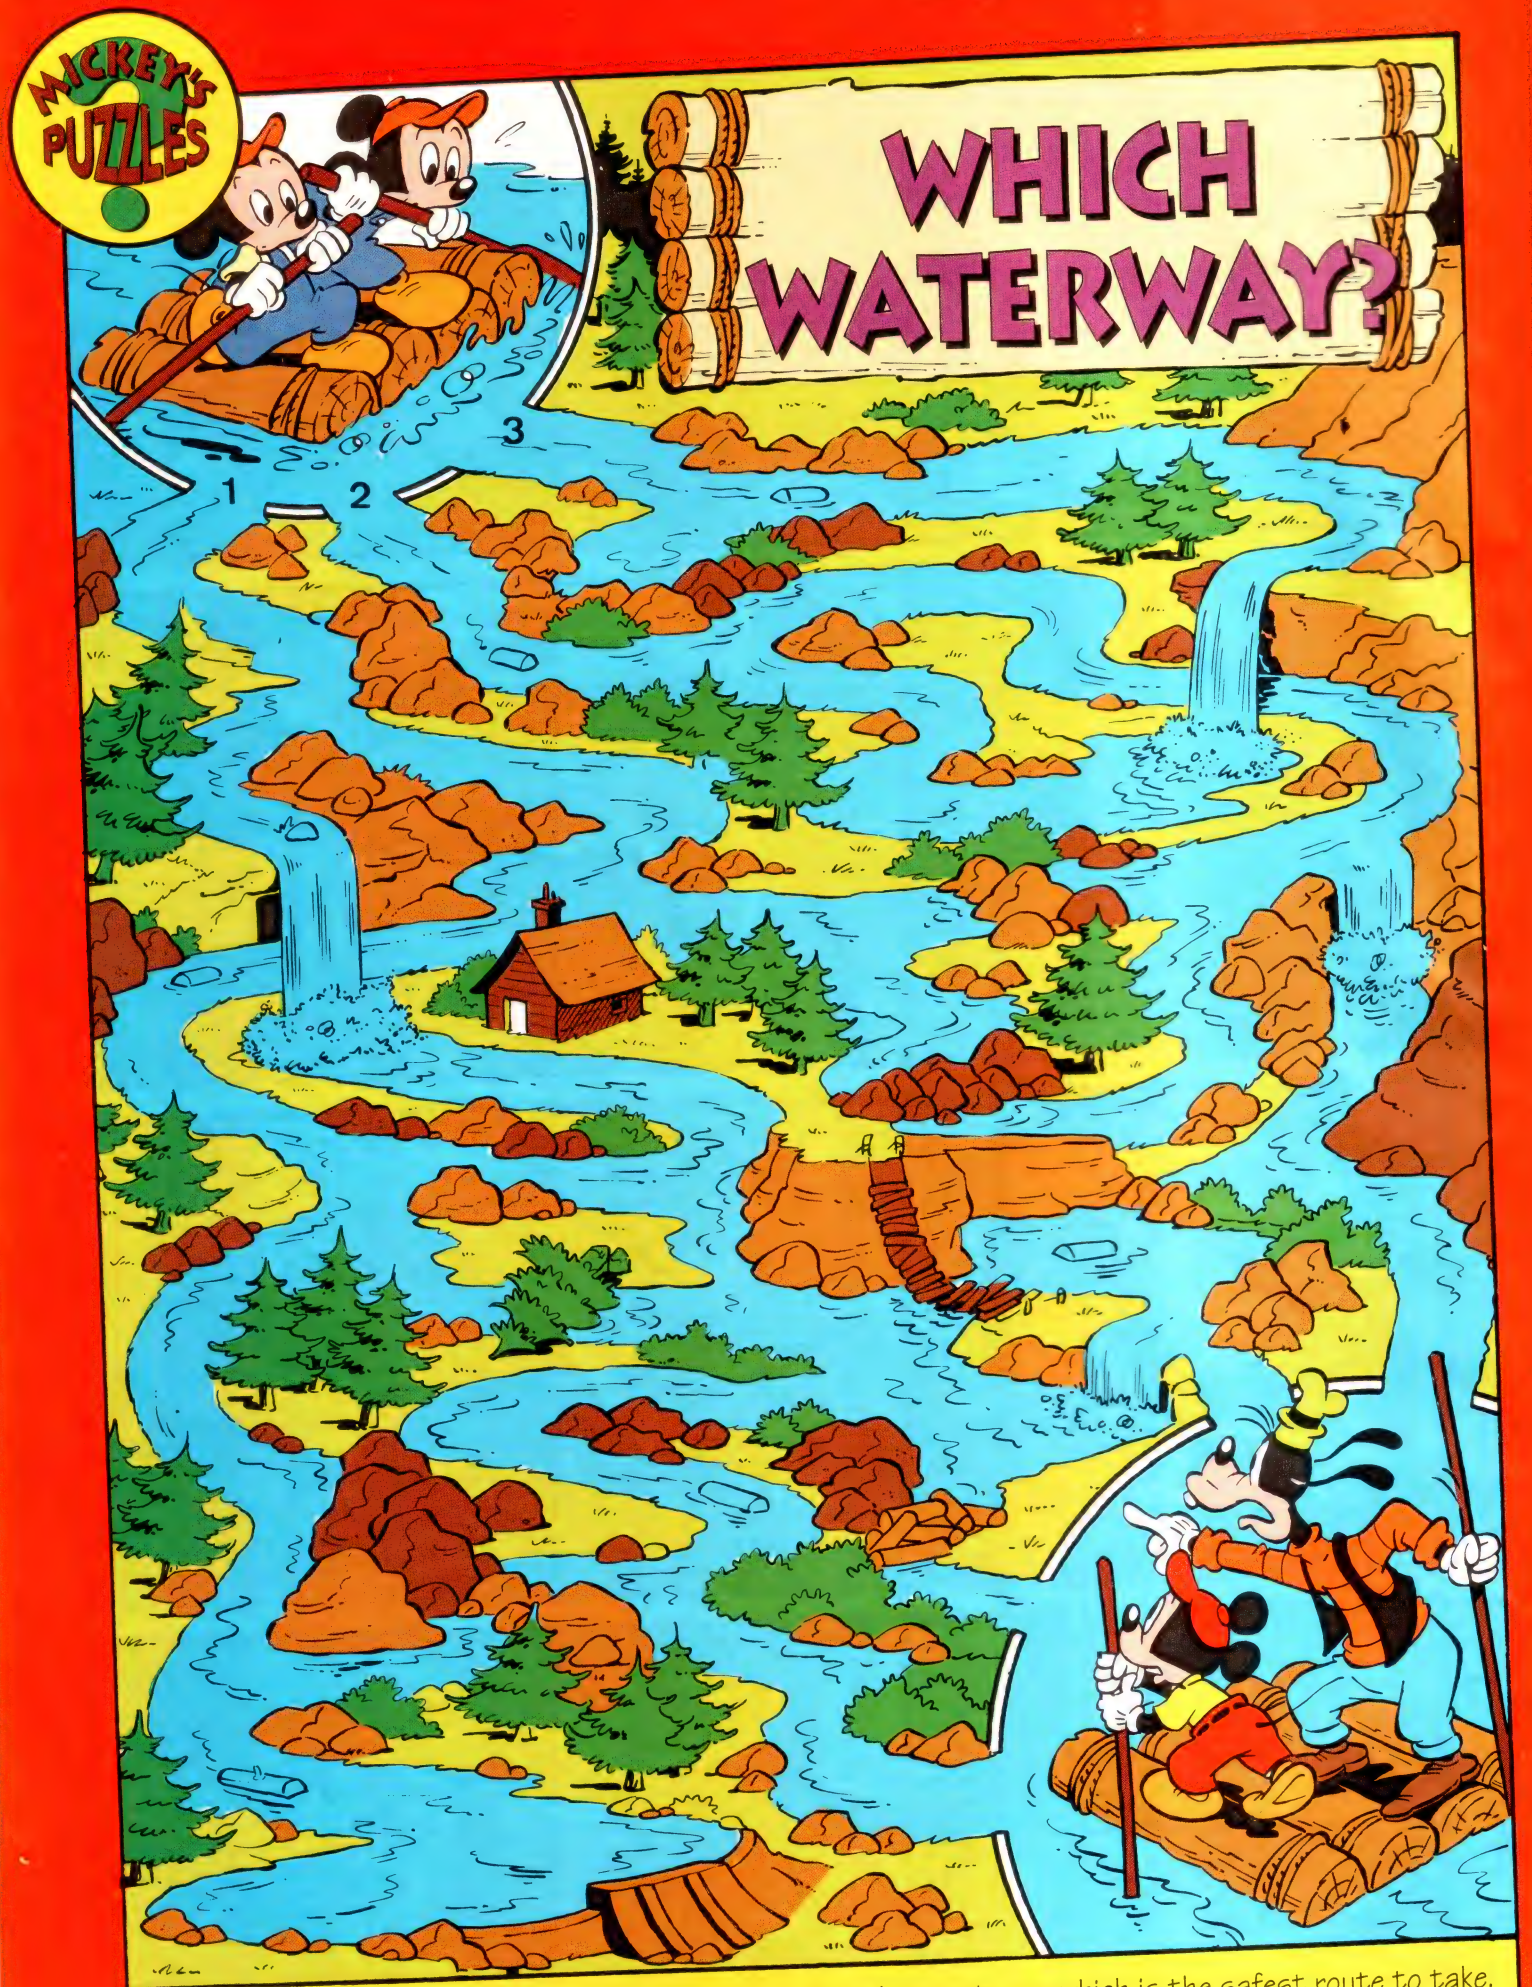


That stupid machine has started to play, and I can't move! What am I gonna do?
PLINKY! PLINKY!
FEEP! WEEK!

So all's well that ends sometime!
I'll just have to hang here and enjoy my string trio till the cleaner comes tomorrow! Me and my big ideas!
PLINKY!
PLINKY!
FEEP!
WEEK!
WOMP!
BOMP!
SQUEAK!
SQUEAK!



GOOFY
Dinosaur Problems
Yawn! Nuthin' much doin' in this place t'day...
DO NOT TOUCH
D 92039
CRASH!
CLATTER!
Yikes!
PLONK!
DO NOT TOUCH
Oops! I think that's what they call a **boneshaker**!
Gotta fix it **quick**! Lessee, th' hip bone's connected t' th' thigh bone...
Hours later...
Whew! That wasn't so tough. No worse'n a jigsaw puzzle.
???
DO NOT TOUCH



Oo-er! Morty and Ferdie are a bit wobbly on their raft and are not sure which is the safest route to take. Guide them down to where Mickey and Goofy are, avoiding broken bridges and the tops of waterfalls.

The solution is on page 31.

WACKY WORDS

We were watching Winnie the Pooh,
But our brother wanted to go to the zoo,
Then we decided to watch Snow White,
While the cats were having a fight,
Through the door came a big thing,
We were reading The Lion King,
My cat was being so cutesy wutesy,
While we watched Sleeping Beauty,
We were lying on our mats
And laughing at the Aristocats,
This is the end of our Disney poem,
So we think we'd better be going!
Adam and **Jason Heasman**, Sheerness.

Think you can write a funny or wacky poem? Have a go and send it in!
